**A MARVELLOUS REMEDY!
FOR A MARVELLOUS AGE.**

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little organisms on the surface of our bodies. Through these tiny openings, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs, and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

**ERYSIPELAS, RHEUMATISM, & SCOR-
BUTIC HUMOURS.**

No remedy has ever done so much for the cure of disease of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, and giving advice as to its application, and has thus been the means of restoring countless numbers to health.

**SORE LEGS, SORE BREASTS, WOUNDS
AND ULCERS.**

Some of the most scientific Surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, and glandular swellings and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness, or contraction of the joints, even of twenty years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured by the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions appended to each pot.

Both the Ointment and Pills should be used in the following cases:—
