NERVOUS DEBILITY: its Causes, Symptoms, and Cure: an Essay on Spermatorrhoea, with Practical Observations on a safer and more successful mode of treatment of the Diseases of the Generative System, obtained by the use of the Microscope in detecting and distinguishing by Urinary Examination, the real cause and effect of every variety of Complaint, whether arising from solitary habits, excesses, accident, or climate—to which are added Commentaries on the Physiology of Marriage, with precautionary hints on the evils emanating from empirical practice, and on the dangerous remedies advocated by various writers on these important disorders.

BY S. LAMERT, M.D.

37 BEDFORD SQUARE LONDON, Matriculated Member of the University of Edinburgh, Honorary Member of the London Hospital Medical Society, Licentiate of Apothecaries' Hall, London, &c., &c.

The essential object of this treatise is to point out the fearful consequences resulting from certain habits, irregularities and excesses, which have produced more misery in Youth, degradation in Manhood, and premature decay at all stages of Life, than perhaps, any other class of disease known to modern pathologists. Its perusal is particularly recommended to persons entertaining secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled.

It is absolutely necessary that all men should know that there are principles of personal management which cannot be violated without incurring grievous penalties, and when wisdom and regret succeed the heyday of inconsiderate self-indulgence, how these penalties may be mitigated, how the sting of their bitterness may be removed, and above all, that there is scarcely any degree of physical infirmity or functional derangement to which this timely aid of science cannot apply a cure.

The work may be had in St. John, N. B., of Messrs. H. Chubb & Co. Price 2s. 6d. Jan. 26, '55.

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF ASTHMA!

OF AN OLD LADY SEVENTY FIVE YEARS OF AGE. Copy of a Letter from Mr. Thomas Weston, (Book Store) Toronto, dated the 9th October, 1854.

To Professor HOLLOWAY, Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years to see her suffer and hear her cough; I have often declared that I would give all I possessed to have cured her; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did; the result was marvellous: by slow degrees my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy five years old.

I remain, Sir, your obliged

REMARKABLE CURE OF DROPSY!

AFTER BEING TAPPED THREE TIMES.

Copy of a Letter from Anthony Smith, Esq., Halifax, Nova Scotia, dated the 25th August, 1854.

To Professor HOLLOWAY.

Sir,—I desire to add my testimony to the value of your Pills, in cases of Dropsy. For nine months I suffered the greatest torture with this distressing complaint, was tapped three times, and finally given over by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months I was completely cured. I have since enjoyed the best of health.

I am, Sir, yours sincerely,

(Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT.

Copy of a Letter from Mr. William Reeves, of Charlotte town, Prince Edwards Island, dated the 17th Nov., 1854.

To Professor HOLLOWAY.

Sir,—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and languor, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions for seven weeks, I was cured, after every other means failed, to the astonishment of my neighbors, acquaintances and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain, Sir, your humble servant,

(Signed) WILLIAM REEVES.
