AMBROTYPES

OR
DAGUERREOTYPES.

THE undersigned would respectfully inform the citizens of Woodstock and surrounding vicinity, that he has re-opened his Saloon in Woodstock, opposite the Post Office, where he will be prepared to furnish his patrons with first-rate Likenesses, either Ambrotype or Daguerrotype, as they may think proper to choose.

Those who are under the impression that the Ambrotype is superior to the Daguerrotype can have the reasons explained; yet the Daguerrotype has perfections which no Ambrotypist, as yet, has been able to excel,—though either make excellent Likenesses when taken by good Operators.
