THE GREAT FAMILY REMEDY!!

G. W. STONE'S VEGETABLE LIQUID CATHARTIC.

THE public do not require to be told that a mild, safe and reliable cathartic, in a liquid form, agreeable to the taste, and one which purges without violence, is a desideratum in medicine; this fact will be admitted by all. Such a discovery has been often attempted, but without success, until the introduction of the above-named remedy. No patent medicine ever met with such ready approval by physicians as this. Many regular practitioners are using it daily, all of whom have spoken of it in the highest terms of praise.

Reader, as sure as the sun rises in the east, just so sure you will be benefited by the use of this medicine for any of the above complaints; and as surely will it relieve those suffering from Rheumatism, Neuralgia, The Debilicant, Gout, Headache, and Pain in the Side and Stomach, caused by Flatulency. Loss of Appetite, Indigestion, general Debility, &c., is often produced by wind in the stomach, which this remedy will expel at once. It is also an excellent remedy for Sea-Sickness. Those having occasion to travel by water will find it invaluable.

HEALTH OR SICKNESS? CHOOSE BETWEEN THEM!

HOLLOWAY'S PILLS.

THE Blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life, neutralizing the principle of disease, and thus radically curing the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

Used throughout the World!

HOLLOWAY'S PILLS are equally efficacious in complaint common to the whole human race, and in disorders peculiar to certain climates and localities.

Alarming Symptoms!

Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths yield to these curatives in all cases, however aggravated acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and constitution at the same time.

General Weakness—Nervous Complaints.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerve and feeble muscles of the victim of general debility.

Delicate Females.

All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild but infallible alteratives. No mother who regards her own or her children's health should fail to have them within her reach.

Scientific Endorsements.

The "London Lancet," the London "Medical Review," and the most eminent of the faculty in Great Britain, France and Germany, have eulogized the Pills and their inventor.

Holloway's Pills are the best remedy known in the World for the following Diseases:—

- Asthma, Headache, Indigestion, Coughs, Influenza, Cholera, Inward Weakness, Costiveness, Liver Complaints, Dyspepsia, Lowness of Spirits, Diarrhea, Piles, Dropsy, Stone and Gravel, Debility, Secondary Symptoms, Fever and Ague, Venereal Affections, Female Complaints, Worms of all kinds.

Sold at the establishments of Professor HOLLOWAY, 244 Strand (near Temple Bar), London, and 80 Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d., 3s., 1/4, and 5s. each box.

There is a considerable saving by taking the larger size. N.B. Directions for the guidance of patients in every disorder are affixed to each box. WILLIAM T. BAIRD, Agent. Woodstock, October, 1856.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible on a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same, knowing them to be spurious.
