THE GREAT FAMILY REMEDY!!

G. W. STONE'S

LIQUID CATHARTIC.

THE public do not require to be told that a mild, safe and reliable cathartic, in a liquid form, agreeable to the taste, and one which purges without violence, is a desideratum in medicine; this fact will be admitted by all. Such a discovery has been often attempted, but without success, until the introduction of the above-named remedy.

No patent medicines ever met with such ready approval by physicians as this. Many regular practitioners are using it daily, all of whom have spoken of it in the highest terms of praise. Persons, for the want of a better, have been obliged to resort to the use of those drastic, nauseous, and oftentimes injurious purgatives, such as castor oil, salts, senna, rhubarb, jalap, aloes, gamboge, &c., all of which cause more or less debility, and fail to accomplish the object for which they are taken; on the contrary, they often increase the difficulty, and render the patient less amenable. None of these enter into the composition of this invaluable remedy. It is composed of barks, roots and seeds, the medical properties of which are exactly adapted to the cure of those complaints for which it is recommended. By a combination of those properties, the public were put in possession of the most valuable preparation ever produced. This medicine is not intended simply as a cathartic; its value as such is insignificant when compared with its power of purifying the blood from all humors, regulating the action of the bowels, curing Dyspepsia, restoring the appetite, producing a healthy action of the Liver, freeing the stomach from bile, and invigorating and strengthening the whole system. It is a certain cure for the Piles, and those suffering from that complaint should give it a trial. It is also warranted to cure cancer in its worst forms. For all diseases of the Bowels it cannot be recommended too highly. In Summer Complaints, such as Dysentery, Diarrhoea, Cholera Morbus, &c., it will be found invaluable.

Reader, as sure as the sun rises in the east, just so sure you will be benefitted by the use of this medicine for any of the above complaints; and as surely will it relieve those suffering from Rheumatism, Neuralgia, the Debauch, Gout, Headache, and Pain in the Side and Stomach, caused by flatulency. Loss of Appetite, Indigestion, general Debility, &c., is often produced by wind in the Stomach, which this remedy will expel at once. It is also an excellent remedy for Sea-Sickness. Those having occasion to travel by water will find it invaluable.

HEALTH OR SICKNESS?
CHOOSE BETWEEN THEM!

HOLLOWAY'S PILLS.

THE Blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the system of life, neutralizing the principle of disease, and radically curing the malady, whether located in the liver, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

USED THROUGHOUT THE WORLD!
HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

ALARMING SYMPTOMS!
Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and constitution at the same time.

General Weakness—Nervous Complaints.
When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE FEMALES.
All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild but infallible alteratives. No mother who regards her own or her children's health, should fail to have them within her reach.

Scientific Endorsements.
The London "Lancet," the London "Medical Review," and the most eminent of the faculty in Great Britain, France and Germany, have eulogized the Pills and their inventor.

WILLIAM T. BAIRD, Agent.
Woodstock, October, 1856.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same, knowing them to be spurious.
