A MEDICAL REVOLUTION!
THE WORLD UNANIMOUS!HOLLOWAY'S OINTMENT.
The Great Counter Irritant!

THE virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin, as summer rain passes into the verdant earth, diffusing its cool and regenerating influence.

Skin Diseases and Glandular Swellings.

Every species of exterior irritation is quickly reduced by the anti-inflammatory action of this Ointment. Angry Eruptions, such as SALT RHEUM, ERYSIPELAS, TETTER RINGWORM, SCALD HEAD, NETTLE RASH, SCABIES (or ITCH), &c., die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

Ulcers, Sores and Tumours.

The effect of this unrivaled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

Wounds, Bruises, Burns and Scalds.

In cases of the fracture of the bones, injuries caused by steam explosions, BRUISES, BURNS, SCALDS, RHEUMATISM, STIFFNESS OF THE JOINTS, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun-shot wounds. It is also used by the surgeons of the allied navies.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Piles,	Sore Heads,
Burns,	Rheumatism,	Sore Throats,
Chapped Hands,	Rhegworm,	Sores of all kinds,
Chilblains,	Salt Rheum,	Sprains,
Fistula,	Scalds,	Stiff Joints,
Gout,	Skin Diseases,	Tetter,
Lumbago,	Swelled Glands,	Ulcers,
Mercurial Eruptions,	Sore Legs,	Veneral Sores,
	Sore Breasts,	Wounds of all kinds

*Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 44 Strand, London, by all respectable Druggists and Dealers in Medicines throughout the United States and the civilized world in pots, at 1s. 3d., 2s. 1d., and 5s. each.

There is a considerable saving by taking the larger sizes.

N.B. Directions for the guidance of patients in every disorder are affixed to each pot.

THE GREAT FAMILY REMEDY!!

G. W. STONE'S

VEGETABLE

LIQUID CATHARTIC.

THE public do not require to be told that a mild, safe and reliable cathartic, in a liquid form, agreeable to the taste, and one which purges without violence, is a desideratum in medicine; this fact will be admitted by all. Such a discovery has been often attempted, but without success, until the introduction of the above-named remedy.

No patent medicine ever met with such ready approval by physicians as this. Many regular practitioners are using it daily, all of whom have spoken of it in the highest terms of praise. Persons, for the want of a better, have been obliged to resort to the use of those drastic, nauseous, and oftentimes injurious purgatives, such as castor oil, salts, senna, rhubarb, jallop, aloes, gamboge, &c., all of which cause more or less debility, and fail to accomplish the object for which they are taken; on the contrary, they often increase the difficulty, and render the patient less curable. None of these enter into the composition of this invaluable remedy. It is composed of herbs, roots and seeds, the medical properties of which are exactly adapted to the cure of those complaints for which it is recommended. By a combination of these properties, the public were put in possession of the most valuable preparation ever produced. This medicine is not intended simply as a cathartic; its value as such is insignificant when compared with its power of purifying the blood from all humors, regulating the action of the bowels, curing Dyspepsia, restoring the appetite, producing a healthy action of the Liver, freeing the stomach from bile, and invigorating and strengthening the whole system. It is a certain cure for the Piles, and those suffering from that complaint should give it a trial. It is also warranted to cure canker in its worst forms. For all diseases of the bowels it cannot be recommended too highly. In Summer Complaints, such as Dysentery, Diarrhoea, Cholera Morbus, &c., it will be found invaluable.

Reader, as sure as the sun rises in the east, just so sure you will be benefited by the use of this medicine for any of the above complaints; and as surely will it relieve those suffering from Rheumatism, Neuralgia, Tic Douloureux, Gout, Headache, and Pain in the Side and Stomach, caused by Flatulency. Loss of Appetite, Indigestion, general Debility, &c., is often produced by wind in the Stomach, which this remedy will expel at once. It is also an excellent remedy for Sea-Sickness. Those having occasion to travel by water will find it invaluable.
