

SINGULAR INCIDENT.—On Wednesday morning, a two-horse team, belonging, we believe, to the American Express Company, but, at any rate, constantly employed in hauling railroad freight, became frightened by a circus band, and started upon a run. The horses are fine ones, and the time they made was something to record. Down Main-street and into Exchange they dashed with all the energy which fright can impart, and none, who saw the animals under way, expected that anything short of a miracle, could save them from death or serious injury. Yet, such is the force of that influence called "instinct," that those running horses, spirited as they are, actually halted when they reached the New York and Erie depot, carefully backed the wagon to the walk, stopping without a word from any human being, when the wheel of the vehicle touched the kerb-stone! This is a fact, as we have the authority of several eye witnesses for asserting. When the alarmed driver found his team, they were quietly standing with their heads toward the street.—*Buffalo Express.*

Mr. James Coleman, brother of Mr. Robert Coleman of this city, while ascending a flight of stairs in Leverett-street, Boston, on the evening of the 16th, fell, and was so much injured that he died next morning. He was 42 years of age, and has left a widow and one child.—*Nbkr.*

Special Notices.

DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS.—A singular combination, but very effectual, as the following will show:

New York, November 20, 1852.

Knowing, from experience, the valuable qualities of Dr. M'Lane's Vermifuge and Liver Pills, prepared by Fleming Bros. Pittsburg, I have for sometime back considered it my duty, and made my business, to make those articles known wherever I went among my friends. A short time ago I became acquainted with the case of a young girl, who seemed to be troubled with worms and liver complaint at the same time, and had been suffering for some months. Through my persuasion she purchased one bottle of Dr. M'Lane's Vermifuge, and one box of Liver Pills, which she took according to directions. The result was, she passed a large quantity of worms, and thinks that one box more of the Pills will restore her to perfect health. Her name and residence can be learned by calling on E. L. Theall, Druggist, corner of Rutgers and Monroe streets.

Purchasers will be careful to ask for **Dr. M'Lane's Celebrated Vermifuge**, manufactured by FLEMING BROS. of Pittsburg, Pa. All other Vermifuges, in comparison, are worthless. Dr. M'Lane's genuine Vermifuge, also his Celebrated Liver Pills, can now be had at all respectable Drug stores. None genuine without the signature of FLEMING BROS.

THE COMING ELECTION.—As a matter of course, there will be as usual a wonderful demand upon the patience of the public. Orators of all shades, stripes and sections, will display their vocal ability and strength of lungs in the endeavor to make their own cause good, and mar that of their opponents.

Many a public speaker has, under such circumstances, felt the deepest chagrin at the loss of his voice through over exertion, and that most disagreeable infirmity known as a "cough," which has had the effect of neutralizing all his efforts and rendering him in fact powerless. Let every public speaker, therefore, take care to provide himself with an old and infallible safeguard, Mrs. M. N. Gardner's Balsam of Liverwort and Horehound, which is a safe, certain and immediate cure for Coughs, Croup, Asthma, Consumption, &c. A single dose of this delicious compound acts like a charm. A DISEASE OF THE SKIN OF 12 YEARS
standing cured by Holloway's Ointment and Pills.—Mr. Anderson, residing in St. John's N.B., was fourteen years afflicted with a most inveterate disease of the skin. The whole of the body was covered, and occasionally the arms and legs with the same disfigurement; he consulted many Physicians but was not benefited, indeed he became worse until he became disabled from following his profession entirely. He then (like thousands of his native brethren) commenced using Holloway's Ointment and Pills, which entirely cured him in eight weeks after all other means were tried unsuccessfully.

READER, ARE YOU AFFLICTED WITH
any kind of humors or suffering from the effects of indigestion, flatulency, costiveness, troubled with bilious stomach, affection of the liver, or the piles? If so, consult your physician and he will undoubtedly advise you to procure a bottle of G. W. Stone's Vegetable Liquid Cathartic, as it has been proved a reliable remedy in all the above complaints.
