A GREAT BLESSING TO THE AF-

FLICTED.—The number and formidable character of diseases
of the Liver have long challenged the attention of medical
men. Some of these diseases, classed under the general
term of Consumption, have been supposed incurable and
the unhappy patient allowed to die, without medical sci-
ence to offer him a hope of recovery. Happily this can
no longer be the case. A remedy has been found which
will cure all complaints, of whatever character, arising
from derangement of the Liver. The Pills discovered by
Dr. McLane, of Virginia, act directly on the Liver; and by
correcting its operation and purifying it from disease, cuts
off and extirpates the complaints which have their origin
in the diseases of this organ. Remedies hitherto proposed
for liver complaints, have failed to operate upon the seat
of the disease; but Dr. McLane's Pills make themselves
felt upon the action of the Liver, and by cleansing the
fountain, dry up the impure streams of disease which thence
derive their existence.

Purchasers will please be careful to ask for and
take none but Dr. McLane's Celebrated Liver
Pills. There are other Pills, purporting to be Liver Pills,
now before the public. Dr. McLane's Liver Pills, also his
Celebrated Vermifuge, can now be had at all respectable
Drug Stores in the United States and British Provinces.

HOLLOWAY'S OINTMENT AND PILLS
possess magical powers in the cure of sores.—Mr. Hend-
erson, of St. Andrews, N. B., writes that Holloway's Oint-
ment and Pills have acted on his son like magic, the boy
was covered with sores from the time he was a few months
old, and every remedy tried seemed to increase the disorder.
A relative of Mr. Henderson assured him, that Hol-
loway's Pills and Ointment would cure him, and although
doubtful of the truth, he determined to give them a trial,
which he did. Nine weeks perseverance with these cele-
brated remedies, completely restored the child to health,
leaving every part of his body without the slightest blem-
ish for which Mr. Henderson has tendered his everlasting
thanks to Holloway's Ointment and Pills.

DIED:

On the 24th of August, at Aroostook, Maine, Mary
Jane, aged two years and two days, eldest daughter of
W. H. and Frances M'Nally, formerly of Jacksontown,
N. B.

Thus fades the human form divine,
When youth its pride of beauty shews,
Fairer than spring's colours shine,
And sweeter than the virgin rose,

But these, now rising from the tomb,
With lustre, brighter far shall shine,
Revive with never fading bloom,
Safe from diseases and decline.

THE

Mount Allison Wesleyan Academy.

REV. M. EICHEY, D.D., President of the Board of Trustees.
REV. E. EVANS, D.D., Governor and Chaplain.
REV. H. PICKARD, A.M., Principal.
CHAS. F. ALLISON, Esq., Treasurer.

THE first Term of the next Academic Year is to com-
mence on THURSDAY, the 14th of August, and the
second on the 20th November.

The Institution will continue to be conducted upon the
same principles as heretofore. Every thing possible will
be done to promote the safety, comfort and improvement
of the Students.

The exertions of the honored Founder, and of the Trus-
tees and Officers, to extend the blessings of a sound reli-
gious, but not sectarian education, have been, to a most
encouraging extent, successful. During the last Acade-
mic Year, not less than two hundred and fifty Students,
gathered from families of almost every Christian denomi-
nation, and from all the various parts of these Provinces,
were connected with the two branches of the Institution.
Within the last twelve months, nearly two thousand pounds
have been expended in still further improving the build-
ings, and otherwise increasing the educational facilities
afforded in the two establishments.

The Boards of Instruction include twelve Professors and
Teachers, all suitably qualified for their respective departments.
Notice is, therefore, respectfully but confidently given,
that a thorough Academic Training may be here obtained,
by Youth of either sex, under the most favorable circum-
stances, and upon the most advantageous terms.

The charge for Board, &c., &c., and Tuition in the
Primary Department, is £25 N. B. Cy., for the Academic
Year—£28 6s 8d being payable in advance at the beginning
of each Term.

All communications respecting the Male Branch should
be addressed to the Principal; those concerning the Fe-
male Branch, to the Governor and Chaplain.
