St. John, N. B., April, 1856.

A MOST ASTONISHING CURE OF GENERAL DEBILITY.—Mr. Henry Ambrose, of Toronto, was for thirteen years an alarming sufferer from general debility. At night he had the most horrible dreams, which awoke, and when awake he was low spirited, with thoughts of self-destruction, dislike of society, and involuntary blushing. This was the catalogue of his complaints. His friends were constantly alarmed, and in his calmer moments he wished for death to relieve him of his sufferings. As might be expected, the best advice from time to time was obtained, but it was utterly unavailing; at last, he was determined to commence the use of Holloway's Pills, which he did: nine weeks' perseverance with this celebrated medicine saw him such a man as he had never been before in his life,—the bloom of health upon his cheek, and every symptom of his disorders completely eradicated. W. T. BAIRD, Agent for Woodstock.

DR. McLANE'S VERMIFUGE.—ANOTHER MEDICAL WITNESS.—It is no small evidence of the intrinsic value of this great Vermifuge, when even physicians, who are generally prejudiced against patent medicines, voluntarily come forward and testify to its triumphant success in expelling worms. Read the following:

HARRISONVILLE, Shelby Co. Ky. April 2, 1849.
J. KID & Co.,—I am a practising physician, residing permanently in this place. In the year 1843, when a resident of the State of Missouri, I became acquainted with the superior virtues of Dr. McLane's Vermifuge. At some more leisure moment, I will send you the result of an experiment I made with one vial, in expelling upwards of 900 worms.

Purchasers will please be careful to ask for and take none but Dr. McLane's Celebrated Liver Pills. There are other Pills, purporting to be Liver Pills, now before the public. Dr. McLane's Liver Pills, also his Celebrated Vermifuge, can now be had at all respectable Drug Stores in the United States and British Provinces. W. T. BAIRD, Agent for Woodstock.

DIED:

On Wednesday morning, 25th inst., of epilepsy, at the residence of Mrs. J. M. Connell, of this place, Charles Edwin, son of J. H. Anderson, Esq., of Halifax, N. S., in the 17th year of his age.

Dead! yes, alas! in life's glad spring-time dead,
While youth's bright dreams their sweetest influence shed;

Dead!—far from home, without a kindred eye
To shed the tear of love-born sympathy,
With love's own hand each changing pulse to trace,
And wipe the death-damp from his cherished face.
Soon hath his soul in ecstasy unfurled
Her trembling wings, emerging from the world,
And, o'er the path by mortals never trod,
Sprung to her source,—the bosom of her God.
But, though each spark of earth-born rapture fly
The quivering lip, pale cheek, and sunken eye,
Bright to his soul do seraph hands convey
The morning dream of life's eternal day.
Cold in the dust the perished heart may lie,
But that which warmed it once shall never die:
That spark, unburied with his mortal frame,
With living light, eternal and the same,
Shall beam in joy's interminable years,
Unveiled by darkness, unalloyed by tears.

Ed. SENTINEL.

In Wakefield, on the 24th inst., Mary, wife of Grimman Chapman, aged thirty-nine years and seven months: thus has past away one of the excellent and good of the earth. Kind, humane and affectionate, she was beloved by all who enjoyed the pleasure of her acquaintance. She was perfectly conscious of her approaching end, and with the faith, hope and calmness of a Christian, resigned herself up to the will of God in full hope of the resurrection of eternal life.

"Weep not for her, the glorious band
Of Heaven surrounds her now;
The wreath of immortality
Sits smiling on her brow."

REV. EVANS, D.D., Governor and Chaplain.
REV. PICKARD, A.M., Principal.
CHAS. ALLISON, Esq., Treasurer.

The First Term of the next Academic Year is to commence on THURSDAY, the 14th of August, and to continue the 20th November.

The tuition will continue to be conducted upon the same principles as heretofore. Every thing possible will be done to promote the safety, comfort and improvement of the students.

The friends of the honored Founder, and of the Trustees and officers, to extend the blessings of a sound religious, not sectarian education, have been, to a most encouraging extent, successful. During the last Academic Year not less than two hundred and fifty Students, gentlemen families of almost every Christian denomination, from all the various parts of these Provinces, were coiled with the two branches of the Institution. Within last twelve months, nearly two thousand pounds have expended in still further improving the buildings, and otherwise increasing the educational facilities afforded the two establishments.

The Es of Instruction include twelve Professors and Teachers, suitably qualified for their respective departments. Notice therefore, respectfully but confidently given, that a high Academic Training may be here obtained, by Youth either sex, under the most favorable circumstances, upon the most advantageous terms.

Charge for Board, &c., &c., and Tuition in the Primary Department, is £25 N. B. Cy., for the Academic Year—£25 being payable in advance at the beginning of each Term.

All communications respecting the Male Branch should be addressed to the Principal; those concerning the Female Branch to the Governor and Chaplain.
