To the Editor of the Carleton Sentinel.

MR. EDITOR: On seeing a communication in your paper of the 17th July, signed Warren C. Bull, relating to the dividing of the by-road money in Northampton,-in which he seems to intimate that I was overruled by my colleague, Mr. Clowes, in the taking off some money previously allotted by the Council for the repairs of a certain bridge at Samuel Rogers'. Now, Mr. Editor, I was not overruled by Mr. Clowes in that respect, as he came to me for my consent, which I gave without reluctance, as I was opposed to the putting it on in the first place, believing that back settlements needed to Mr. Bull previous to his writing the communication referred to, and wonder why he used such ROBEBT HEMPHILL. insinuations. Northampton, August 9th, 1858.

THE Proprietor has been for years experimenting and a endeavoring to discover a medicine, which could be relied upon in the above complaints, and is happy to in form the afflicted that he has at last succeeded beyond his expectations, having never known an instance where the timely administration of the Tonic EXTRACT failed to do

It is necessary, however, to use this medicine ascording to the printed directions which accompany each battle --This may, in some cases, involve self-denial on the part of the patient, but is the only course which brings about restoration to health.

This Medicine is not introduced for the sole purpese of making money, it is a useful article and ought to be generally known. The Proprietor purposes to supply the afflicted poor without charge, upon the recommendation of a respectable party, on condition that the patients will from time to time, make a statement of the effects of the medicine

The Tonic Extract will make the flesh firm, give a good appetite, and bring about a regular state of the system; when this happens, of course the spirits will become enlivened, and there will be a prospect of health and long

The Proprietor takes the liberty of using the name of the Rev J. Blakeney, Baptist Missionary, for a reference in support of the good qualities of this Medicipe. The Tonis Extract is put up in four ounce phials-price
