8t. John, N. B., March, 1856. Messrs. FELLOWS & CO. This is to certify that my little boy, aged six years, having been much troubled with worms, of late, I administered four of your Worm Lozenges, as per directions, and in nine hours after he passed several large worms. These Lozenges are particularly valuable, as the children are fond of them. You are at liberty to use this for the benefit of others.
