# Desultory.

Moses is unknown; but the traveller slakes his such dangerous complaints, so quick and so surely, as to thirst at the well of Jacob. The gorgeous palace prove an efficacy and a power to uproot disease beyond of the wisest and wealthiest of monarche, with the anything which men have known before. By removing codar, and gold, and silver, and ivory, and even the obstructions of the internal organs, and stimulating the great temple of Jerusalem, hallowed by the vis-the glory of the Deity himself, are gone; but Sol-and the sick man is well again. They are adapted to disomen's reservoirs are as perfect as ever. Of the ease, and disease only; for when taken by one in health ancient architecture of the Holy City not one stone they produce but little effect. This is the perfection of Building, a large and well selected stock of Drugs, is left upon another; but the pool of Botheeda Commands the pilgrim's reverence at the present are sick, they will cure them; if they are well, they will are sick, they will cure them; if they are well, they will are sick, they will cure them; if they are well, they will are sick, they will cure them; day. The columns of Perespolis are smouldering to do them no harm. duet; but its cisterns and aqueducts remain to Give them to some pitient who has been prostrated challenge our admiration. The golden house of with binous complaint: see his bent-up, tottering form Mero is a mass of ruins; but the Aqua Claudia straighten with strength again; see his long-lost appetite straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul b ood has burst out ple of the sun at Tadmor in the wilderness has in scrofula till his skin is covered with sores-who stands. fallon, but its fountain sparkles in its rays, as when or sits, or lies in anguish. He has been drenched inside thousands of worshippers thronged its lofty colo- and out with every potion which ingeneity could suggest. indes. It may be that New York will share the fail from his body; see the new, far skin that has grown fate of Babylon, and nothing he left to mark its under them; see the late loper that is clean. Give them site save mounds of erumbling brick-work. The to him whose angry humors have planted rheumatism in Mudson will continue to flow as it does now. And his joints : move him, and he screenes with pain. He too if any work of art should rise over the deep ocean has been sorked through every muscle of his body with of time, we may well believe that it will be neither blood; they may not cure him, for airs! there are cases a palace or a temple, but some vast aquoduct or which no mortal power can reach; but mark, he walks reservoir; and if any name should flash through with crutches now and now he walks alone-they have the mist of antiquity, it will probably be that of cured him Give them to the lean, sour, haggard dyspep. the an who in his day sought the happiness of tic. whose grawing stomach has long ago eaten every the an who in his day sought the happiness of smile from his face and every muscle from his body. See his fellow men rather than glory, and linked his his appetite return, and with it health; see the new man. memory to some great work of national utility See her that was radiant with health and loveliness blasted or benevolence. This is true glory which out- and too early withering away : want of exercise, or mental lives all others, and shines with undying lustre anguish, or some lurking disease, has deranged the interfrom generation to generation, imparting to works and organs of digestion, assimilation or secretion till they do their office ill. Her blood is vitiated, her health is something of its own immortality, and in some de- gone. Give her these Pills to stimulate the vital pringree, rescuing them from the ruin which overtakes circle into renewed vigor, to cast out the obstructions, and few pounds of superior TOBACCO. For sale at the ordinary monuments of historical tradition or infuse a new vitality into the blood. New look againmere magnificence .- N. Y. Ledger .

horse power, and mounting 1,960 guns, building less sleepings, tell the dreadful truth in language which White do., Rose, Cinnamon and Military. are thirty steamships, of the aggregate of 19.650 ing its life away Its pinched-up nore and ears, and restcost of these ships to the nation, with ordinance burrew in the brutes and in the sea. Price 25 cents per and fittings, will be about £4,000,000 sterling, or or £2,000 per gan. The opinion used to be that of civilized men, Aver's Cherry Pectoral has been the estimate for building and equipping a man of Times, May 12.

book: the letters and words all having been cut all his frame. He is taking the Cherry Pectoral now: it has stopped his cough and made his breathing easy; his has stopped his cough and made his breathing easy; his singular literary curiosity.

friends were dining in a private room at a tavern. under repair, and that he was inconvenienced for prowler which carries off the parent sheep from many a want of room, requested that a stranger might be flock, the darling lamb from many a home. allowed to take a chop at a separate table in the for the treatment of each complaint, may be found in apartment. The company assented, and the stran- Aver's American Almanac, of which we publish three ger, a person of common place appearance, was in- millions, and scatter them broadcast over the earth, in troduced. He ate his chop in silence; but, having order that the sick everywhere may have before them the finished his repast, he disposed himself for those forty winks which make the sweetest sleep of gourmets. But the stranger snored so loudly and inharmoniously that conversation was disturbed .-Some gentlemen of the party now jarred glasses, or shuffled upon the floor, determined to arouse the obnoxious sleeper. Aresently the stranger started from his sleep and to his legs, and shouted to Jerrold, " I know you, Mr. Jerrold: but you shall not make a butt of mo !" " Then don't bring your heg's head in here," was the prompt reply.

CASH AND CREDIT .- If you would get rich, don't deal in pass-books. Credit is the "tempter in a Cash or Country Produce. new shapo," Buy dry goods on trust, and you Woodstock, Nov. 28, 1857. will purchase a thousand articles that cash would never have dreamed of A dollar in the hand Dress does not make the Man, but adds looks larger than ten dollars seen through the perspective of a sixty day due bill. Cash is practical, while credit takes horribly to taste and romance. Let cash buy a dinner, and you will have a beafsteak flanked with onions ; send credit to market, and he will return with eight pair of woodcocks ble-breast pins and champagne suppers; cash is what is here told to be truth, that, at his Store in Water- this can be relied on. more easily eatisfied. Give him three meals a day street, and he don't care much if two of them are made up of roasted potatoes and a little salt. Cash is a has now opened and for sale, of the kind and on the terms good adviser, while credit is a fellow I do not like mentioned above, a little the nicest stock of CLOTHING to be on visiting terms with. If you want double chins and contentment, do business with cash.

A VERY Successful Oraton.-There have been very great orators, of whom it is certainly not known that they studdied oratory. The greatest orator of the English bar was Erskine, and the greatest tri imph ever achieved by forensic oratory in England was attained when a jury, after hearing him for the defendant in an action of crim. con., were so wrought on by his elegaence that they wished to make the plaintiff-the injured husband-pay damages.

If you would fatten your cattle profitably and well, give them plenty of good wholesome air. plenty of rest, a nice clean resting place; do not disturb the naturally quiet state of their minds, in town or country. I would more particularly call your and finally, give them plenty of good nutritions attention to those Labrador HERRINGS, which I have food, properly prepared. If you feed grain, let it taken so much pains to procure. be crushed and cooked; if hay or fodder, let it be cut .- Cal. Far.

A Farmer; who occasionally accommodated a neighbor with a flitch of beacon at the killing season, being applied to as usual, replied : "I hanna yet made up my mind whether I shall kill myself this year or take a side of my feyther.

There is a purple half to the grape, a mellow and crimson half to the peach, a sunny half to the globe

and a better half to man. The resident in the Isle of Wright know how to obtain mutton from Cowes.

" Susan can you parse butter?" "Thirtainly, thir. Butter ith a common thubthantive, nucter gender, agreeth with buckwheat caketh, and ith governed by thugar, -- molatheth underthtood."

" Does this razor take hold well?" asked the barbere "Yes." grouned the martyr, 'it takes held needay, and Katurday, at 4 P. M., well, but it don't let go.

### THE GREAT FAMILY REMEDY!! G. W. STONE'S

LIQUID CATHARTIC.

THE public do not require to be told that a mild, safe and reliable cathartic, in a liquid form, agreeable to the taste, and one which purges without violence, is a desideratum in medicine; this fact will be admitted by all. Such 2 discovery has been often attempted, but without No patent medicine ever met with such ready approval by physicians as this. Many regular practitioners are using it daily, all of whom have spoken of it in the highest terms of praise. Persons, for the want of a better, nauseous, and oftentimes injurious purgatives, such as castor oil, salts, senna, rhubarb, jallop, alocs, gamboge, &c., all of which cause more or less debility, and fail to accomplish the object for which they are taken; on the contrary, they often increase the difficulty, and render the patient less curable. None of these enter into the composition of this invaluable remedy. It is composed of barks, roots and seeds, the medical properties of which are exactly adapted to the cure of those complaints for which it is recommended. By a combination of these properties, A great variety of delicious Extracts, genuine Jean paration ever produced. This medicine is not intended simply as a cathartic; its value as such is insignificant all humors, regulating the action of the bowels, curing Dyspepsia, restoring the appetite, producing a healthy acgorating and strengthening the whele system. It is a certain cure for the Piles, and those suffering from that

cle, Rose Marrow Pomatum, Bandoline, Batchelor's Hair Complaints, such as Dysentery, Diarrhoa, Cholera Mor-Dye, &c., it will be found invaluable.
