Woodstock, Dec. 4, 1857. JOHN BRADLEY.

DR. MORSE'S INDIAN ROOT PILLS.

DR. MORSE, the Inventor of Morse's Indian Root Pills, has spent the greater part of his life in travelling, having visited Europe, Asia and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from impurity of the blood—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lung, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out beautifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence a large quantity of foul and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning element of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify that disease—the deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

CAUTION.—Beware of a counterfeit signed *A. B. Moore.* All genuine have the name of A. J. White & Co. on each box. Also the *signature of A. J. White & Co.* All others are spurious.

A. J. WHITE & CO., *Sole Proprietors,*
50 Leonard Street, New York.

Dr. Morse's Indian Root Pills are sold by all dealers in Medicines.

Agents wanted in every town, village and hamlet in the land. Parties desiring the agency will address as above for terms.

Price 25 cents per box, five boxes will be sent on receipt of $1, postage paid.

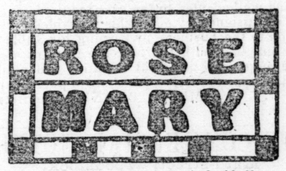
J. RUSSELL SPALDING'S



This great and popular preparation is decidedly one of the nicest and best articles in the world for the

HAIR!

IT imparts a richness and brilliancy, cleans, ornaments, invigorates, embellishes, removes dandruff, relieves headache, and has probably been used for restoring and preventing the falling off of the hair with as much success as any article ever known. It has stood the test of time and use, and all can rely upon it.

ABRAM A. TRUAX, Esq., Rotterdam, N. Y., writes: —"Am 75 years of age—and was bald 35 years—have used two bottles of your Rosemary, and my hair is new two inches long.

REV. SYLVANUS COBB, Boston, Mass. "We had rather pay for it than have other preparations for nothing," &c.

MRS. D. TAFT, Cambridge, Mass.—"Have used your Rosemary with great success in keeping my hair black, as age was turning it fast."

MR. DANIEL B. CONNOR, Boston, Mass:—"Eight months ago I was bald—my hair is now long and healthy. —I know your Rosemary has forced it to grow," &c.

OSSIAN E. DODGE, Esq., vocalist, now of Cleveland, Ohio:—"It gives a rapid growth, and dark glossy texture, and does not soil the hat or pillow in the least; I know of nothing so valuable for the hair."

FRANCIS ADAMS, Esq., Boston, Mass:—"It is the best thing for children's hair—the ladies are delighted with it," &c.

REV. C. W. DENISON, Buffalo, N. Y.:—"I find it excellent for the hair."

MRS. L. SWEENEY, Boston, Mass.;—"It restored my hair to bald head, and from grey to black color," &c.

HON. C. HUNT, Lowell, Mass:—"To remove dandruff, and keep the hair moist and glossy we have never found anything so good."

M. HOFFMAN, Esq., (Editor German Weekly) Boston, Mass., and his wife Eva say—"It causes hair to grow vigorous—gives beauty and splendor—is better than European articles," &c.

G. H. STOCKING, Esq., (Trinity College,) Hartford, Conn.:—"By using it my hair turned from a sandy to a brown color; it was naturally dry, but is now moist."

A. F. WOOD, Chemist, New Haven, Conn.:—"I saw a fair head of very dark hair on a man that six weeks ago was bald. He had used nothing but your Rosemary," &c.
