Woodstock, Dec. 5th, 1857. DR. MORSE'S INDIAN ROOT PILLS. an excellent selection of

Pills, has spent the greater part of his life in traveling, having visited Europe, Asia and Africa, as well as North America - has spent three years among the Indians of our Western country-it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the in Cotton, Linen and Woolen; FANCY GOODS, &c. &c., first man to establish the fact that all diseases arise from too extensive to admit of enumeration.

depended upon this vital fluid. When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant. that opens and unclogs the passage to the lung, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors frem the lungs by copious spitting. The third is a Diur- good assertment of Crockery. etic, which gives case and strength to the kidneys; thus encouraged, they draw large amounts of impurity from the ed in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged Salts, Snuff, Alspice, Pepper, Starch, Mustard, Cloves, Soand conveyed off in great quantities by the bowels. From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfeetly healthy; consequently all sickness and pain is driv-en from the system, for they cannot remain when the body

becomes so pure and clear. The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermen- 20,000 SEPOYS PUT TO THE SWORD, tation, constantly mixing with the blocd, which throws the corrupted matter through every vein and artery, un-til life is taken from the body by disease. Dr. Merse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and hapniness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning element of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken they were astonished, and absolutely surprised, in witnesstheir charming effects.
