Such a discovery has been often attempted, but without success, until the introduction of the above-named remedy. No patent medicine ever met with such ready approval by physicians as this. Many regular practitioners are using it daily, all of whom have spoken of it in the highest terms of praise. Persons, for the want of a better, have been obliged to resort to the use of those drastic, nauseous, and oftentimes injurious purgatives, such as castor oil, salts, senna, rhubarb, jallop, aloes, gamboge, &c., all of which cause more or less debility, and fail to accomplish the object for which they are taken; on the contrary, they often increase the difficulty, and render the patient less curable. None of these enter into the composition of this invaluable remedy. It is composed of barks, roots and seeds, the medical properties of which are exactly adapted to the cure of those complaints for which it is recommended. By a combination of those properties, the public were put in possession of the most valuable pre-paration ever produced. This medicine is not intended simply as a cathartic; its value as such is insignificant CONSISTING of the usual variety of pure English when compared with its power of purifying the blood from all humors, regulating the action of the bowels, curing PATENT MEDICINES of every description now before Dyspepsia, restoring the appetite, producing a healthy action of the Liver, freeing the stomach from bile, and invigorating and strengthening the whole system. It is a eertain cure for the Piles, and those suffering from that complaint should give it a trial. It is also warranted to cure canker in its worst forms. For all diseases of the Bowels it cannot be recommended too highly. In Summer Complaints, such as Dysentery, Diarrhea, Cholera Morbus, &c., it will be found invaluable. White Lead, Black, Blue, Green, Yellow and Red Paint, Reader, as sure as the sun rises in the east, just so sure you will be benefitted by the use of this medicine for any

of the above complaints; and as surely will it relieve those suffering from Rheumatism, Neuralgia, Tic Doloureux, Boiled and Raw Linseed, Pale Seal, Olive, Neat's foot, Gout, Headache, and Pain in the Side and Stomach, caused by Flatulency.
