

Desultory.

LINES
Written on viewing Grand Falls.
Roll on, Grand Falls! at God's command
Thy mighty floods sweep—
Stupendous work of Nature's hand,
Majestic, wild and free.
And now thy thunder's dread voice
Doth shake the solid land,
Thy mighty floods seem to rejoice,
As passing where I stand.
A rainbow on the threatening cloud
Adorning Noah's ark;
The same on Grand Falls' roaring flood
From age to age appears;
And God himself the symbol names
"The token of his power."
A God, thy bow, Grand Falls, proclaims,
In thundering accents given.
And when no low in cloud is seen,
And all serene and fair,
The Grand Falls robes himself in green,
And drapery white and rare,
And round about his rocky throne
A low of promise flings—
And diamonds thick as dewdrops strewn
On all surrounding things.
How frail appear the works of Man!
How feeble is his art!
Whilst thou, Grand Falls, for ages stand
Of Nature's works a part;
And—yes! till Time shall cease to be,
And ages cease to glide,
Grand Falls shall roar unceasingly,
The waters to divide.
Nor envious at the strong decree
That binds you to your place,
You thunder on unceasingly
In your own given space;
For giant floods shall nevermore
Intrude the solid land,
Derive the watery world of shore,
Leave seas without a strand.

J. RUSSELL SPALDING'S
ROSEMARY

This great and popular preparation is decidedly one of the
most and best articles in the world for the
HAIR!
It imparts a richness and brilliancy, cleans, ornaments,
invigorates, embellishes, removes dandruff, relieves
itching humors, and is probably the best for restoring and
preventing the falling out of the hair with as much success
as any article ever known. It has stood the test of time
and use, and all can rely on it.
ABRAM A. TRITAY, Esq., Rotterdam, N. Y., writes:
"Am 75 years of age—and was bald 35 years—have used
two bottles of your Rosemary, and my hair is now two
inches long."
REV. SYLVANUS COBB, Boston, Mass. "We had
rather pay for it than have other preparations for nothing."
MRS. D. TART, Cambridge, Mass. "I have used your
Rosemary with great success in keeping my hair black, as
age was turning it gray."
MR. DANIEL B. COXNOR, Boston, Mass. "Eight
months ago I was bald—my hair is now long and healthy
—I know your Rosemary has forced it to grow."
OSIAN B. DODGE, Esq., vocalist, now of Cleveland,
Ohio—"It gives a rapid growth, and dark glossy tex-
ture, and does not soil the hair or pillow in the least; I
know of nothing so valuable for the hair."
FRANCIS ADAMS, Esq., Boston, Mass. "It is the
best thing for children's hair—the ladies are delighted
with it."
REV. C. W. DENISON, Buffalo, N. Y. "I find it
excellent for the hair."
MRS. L. SWENNEY, Boston, Mass. "It restored my
hair and head, and from grey to black color." &c.
JON. C. HUNT, Lowell, Mass. "To remove dandruff,
and keep the hair moist and glossy we have never found
any other so well adapted."
M. HOFFMAN, Esq., (Editor German Weekly) Boston,
Mass., and his wife Eva say—"It causes hair to grow vig-
orously—gives beauty and splendor—is better than Euro-
pean preparations."
G. H. STOKES, Esq., (Trinity College), Hartford,
Conn.—"By using it my hair turned from a sandy to a
brown color; it was naturally dry, but is now moist."
A. P. WOOD, Chemist, New Haven, Conn.—"I saw a
fair head of very dark hair on a man that six weeks ago
was bald. He had used nothing but your Rosemary." &c.
More extracts could be added if room admitted. If you
are not satisfied Try It.

MOFFAT'S
LIFE PILLS,
And Phenic Bitters.
THE reputation of these very celebrated vegetable re-
medies is now unequalled by any others in this
country or in Europe. They are fully established as the most
universal family medicine now in use, and they will main-
tain the health of the system, and preserve the vigor of
comprehensive virtues which acquired it. The usual modes
of purgation are unworthy of them and is unnecessary.
Thousands and tens of thousands of persons now living
in perfectly restored health, can testify, as thousands have
testified, to their prompt and decided efficacy not only in
all ordinary affections of health, from Impaired Dig-
estive Functions, Costiveness, Bilious and Liver Complaints,
Rheumatic and Inflammatory Colds, Coughs, Nervous Weak-
ness, Loss of Appetite, Failure of Lungs, Headache and Im-
pure State of the Blood and other Fluids, but also in Rheu-
matism, Gout, Gravel, Dropsy, Catarrhs of the Bladder,
Bronchitis, Cholera, Pleurisy, Palpitation of the Heart, Rush
of Blood to the Head, Settled Pains in the Limbs and
Joints, Affections of the Bladder and Kidneys, Jaundice,
Nervous Debility, Female Irregularities, Hemorrhoids,
Scorbutic and Bilious Disorders, Obstructed Menstruation,
and an immense number of other maladies.
They require no directing nor confinement, are perfectly
pleasant in their operation, but will powerfully
restore health—that greatest of all earthly blessings—to
the most exhausted and dilapidated constitutions.

DR. HARRISON'S
PERISTALTIC LOZENGES,
A POSITIVE CURE FOR
Costiveness and Dyspepsia!
THE Proprietor, by the advice of the leading phy-
sicians of Boston, is introducing his Peristaltic
Lozenges throughout the country. They are tonic
as well as laxative, and differ from all physical pills.
They are superceding every other remedy for cos-
tiveness and its results, viz.:
PILES, HEADACHE, DIZZINESS,
BILIOUSNESS, OPRESSION OF POOD, FLATULENCE,
SICK HEADACHE, PALPITATION,
LIVER COMPLAINT.

They are safe and effective for Females who suffer
from costiveness, giving tone to the whole system.
For Irrregularities and Suppressions, especially of
young persons having little exercise, they are most
effective, giving color to the blood, and restoring
nature.
The Peristaltic Lozenges cause no pain, are agree-
able, and so compact that they may be carried in the
vest pocket, and are therefore just the thing for trav-
ellers.

Testimony of Boston Druggists.
The undersigned, having long known the reputation
of *Harrison's Peristaltic Lozenges*, among the lead-
ing physicians, as well as the best of apothecaries of
this city, and having heard them spoken of by those
using them as entirely satisfactory, we recommend them
as the most agreeable and effective remedy
for Constipation, whenever our customers ask our
opinion.

DR. CHEEVER'S
PATENT
Galvano-Electric Regenerator.
A New and Scientific Invention,
FOR the cure of Impotency, Sterility, Torpor of
the Prostate Gland, Irritability of the Ure-
thra, Relaxation of the Spermatic Cord, and all
Affections of the Reproductive System; and for ar-
resting those most difficult and often fatal Derangements
of the PROSTATIC ORGANS, NECTRAL EMISSIONS,
DIURNAL SEMINAL LOSS, IMPOTENCY or complete Loss
of Manhood.
Patented Invented, January 15, 1856.
Manufactured and sold, Wholesale and Retail, by
J. CHEEVER, M.D.,
Store and Office, No. 1 Tremont Temple, Boston.

CERTIFICATE.
The Galvano-Electric Regenerator of Dr. Joseph Cheever
has been examined by me in relation to its power
of inducing a constant current of electricity while in use.
I have no hesitation in pronouncing the invention to be
simple, and well adapted to the purpose for which it is
designed.
Respectfully,
A. A. AYES, M.D., State Attorney,

Dyspepsia!—Bilious and Nervous Sufferers!
Hurt by Headache!—Weak and
Debilitated Ghosts of Humanity!
LOOK HERE! GOOD NEWS FOR YOU!
Derive a few moments to the consideration of the
TONIC EXTRACT,
A Medicine which possesses Extraordinary Virtues,
and has made many Cures.
THE Proprietor has been for years experimenting and
endeavoring to discover a medicine, which could be
relied upon in the above complaints, and is happy to in-
form the afflicted that he has at last succeeded beyond his
expectations, having never known an instance where the
timely administration of the Tonic Extract failed to do
good.
It is necessary, however, to use this medicine according
to the printed directions which accompany each bottle—
This may, in some cases, involve self-denial on the part
of the patient, but is the only course which brings about
restoration to health.
This medicine is not introduced for the sole purpose
of making money, it is a useful article and ought to be
generally known. The Proprietor desires to supply the
distant poor without charge, upon the recommendation of
a respectable party, on condition that the patients will
from time to time, make a statement of the effects of the
medicine.
The Tonic Extract will make the flesh firm, give a good
appetite, and bring about a regular state of the system;
whereas, in the course of the disease, the system be-
comes enfeebled, and the patient is reduced to a state of
debility, and there will be a prospect of health and long
life.
The Proprietor takes the liberty of using the name of
the Rev. J. Blakely, Baptist Missionary, for a reference
in support of the good qualities of this medicine.
The Tonic Extract is put up in four ounce phials—price
1s. 3d. per phial.

THE GREAT FAMILY REMEDY!!
G. W. STONE'S
VEGETABLE
LIQUID CATHARTIC.
THE public do not require to be told that a mild, safe
& reliable cathartic, in a liquid form, agreeable to
the taste, and one which purges without violence, is a de-
sideratum in medicine. This fact will be admitted by all.
Such a discovery has been often attempted, but without
success, until the introduction of the above-named remedy.
No patent medicine ever met with such ready approval
by physicians as this. Many regular practitioners are
using it daily, all of whom have spoken of it in the high-
est terms of praise. Persons, for the want of a better,
have been obliged to resort to the use of those drastic
cathartics, such as calomel, rhubarb, jalap, aloes, gamboge,
&c., all of which cause more or less debility, and fail to
accomplish the object for which they are taken; on the
contrary, they often increase the difficulty, and render the
patient less curable. None of these enter into the com-
position of this invaluable remedy. It is composed of barks,
roots and seeds, the medical properties of which are ex-
actly adapted to the cure of those complaints for which it
is recommended. By a combination of those properties,
the public were put in possession of the most valuable pre-
paration ever produced. The medicine is not intended
as a cathartic, its value as such is insignificant when
compared with its power of purifying the blood from all
humors, regulating the action of the bowels, curing
Dyspepsia, restoring the appetite, producing a healthy ac-
tion of the Liver, freeing the stomach from bile, and in-
vigorating and strengthening the whole system. It is a
certain cure for the Piles, and those suffering from that
complaint should give it a trial. It is also a certain
remedy for the cure of those complaints for which it is
recommended. By a combination of those properties,
the public were put in possession of the most valuable pre-
paration ever produced. The medicine is not intended
as a cathartic, its value as such is insignificant when
