We will take Central Bank Money in payment of Arrearages for the Sentinel.

WOODSTOCK, SATURDAY, MAY 1, 1858.

St. Andrews and Quebec Railroad.

The Journal of the 15th contains an article upon a resolution offered in the Assembly, by Mr. C. Perley, relating to the above road, which resolution was published in the Sentinel, and the terms of it our readers will remember. The article in the Journal surprised us, as no doubt it must have surdiculous.

abroad in the County respecting the reception of Mr. Perley's resolution.

Now we do not think there is a wrong impression This feeling exhibited itself very largely, as natu- trade of the County should converge; it is not only vious year. We have been told of one gentleman at strict investigation by competent scientific persons. interest in it; and Mr. Perley, feeling and know- maintain her present position. ing all these facts, resolved to obtain, if possible, a would not properly bear."

their meaning and intention interpreted by the law ignorant as not to know and feel the dependence of clergymen, teachers and postmasters. officers of the Crown. This satisfied Mr. Perley, the town upon the country. and satisfied the House; and the intent and object

resolution. The following is all the report of the discussion be listened to with any attention. point, that the Crown Officers' opinion would be fore defer till another opportunity any further retaken. It certainly don't show any disposition marks upon the subject. unceremoniouslyto kick out the resolution, as the Journal assorts:

St. Andrews and Quebec Railway Company. He said that the object of the resolution was to prewere to build to the St. Croix near the Ledge, in the branches before any further land was granted.

and what guarantee was there that they would then carry out the law.

and the Government had taken care not to give them ! of 240,000.

towards opening up the road at the Ledge, nor any appearance, though the building of it would be an advantage to the Company itself.

ince. But this resolution would be seeking to give definition to an act of the Legislature.

power in the hands of the Government if the Com- falsehoods. pany failed to carry out the law. Hon. ATTORNEY GENERAL thought there was no necessity for the resolution. While he felt an in an honorable, or manly, or courteous way .-anxiety for the law to be carried out, they should Doubting very much whether our contemporary take care not to break faith with the Company, understands the force of these terms, we only say To the Editor of the Head Quarters: and embarrass the operations. The discussion

would answer the purposes intended. and Mr. Mitchell thought the resolution unneces- for our manhood and for our profession.

Mr. WILMOT was willing to leave the matter with

the Government. ple to establish.

Mr. CHANDLER said it was a simple question, of which there could not be two opinions. If the hands of the Government were tied up so as to

the power in their hands. Mr. C. Perley did not complain of land already branch. If the rest of the lands were given, what guarantee was there, as the interest on £100,000 was only to be paid if the road did not pay 5 per cent. He had brought the matter under the notice of the House and the Government, and would

withdraw the resolution. and passing local or personal interest; upon its people of this County should discrease our columns. solution the future of the County depends; and he who allows local prejudices to blind his eyes to the more expansive desire to benefit the whole County is verily a mole who should only burrow in the nar-
