WCODSTOCK, SATURDAY, JUNE 5, 1858.

HOULTON CORRESPONDENCE. Hetton, Mr., May 31st, 1823. us the Saming hand-bills announce it.

The great sopic now agitating Maine is the open- Lieut. Hill and a body of Sepoy cavalry. ing up and developing the resources of this Aroos- We will be happy to show the numbers we have took County, influencing emigration in this direct to any person desirous of subscribing. day brings parties prospecting.

Carleton County, New Brunswick, is almost as Weekly." county, you had at the last census 644.463 acres in per's for June. s wilderness state. Carleton County exceeds any county in the Province except York, in the growth of Indian corn; in nine of wheat; is superior to arming stock.

In mineral wealth the whole county is rich,inexhaustible quantities of iron ore, lime in great abundance, and a valuable copper mine.

Iowa, Illinois, Minnesota, or Wisconsin, that they went seven years since. all strike for. But those States receive their share, as well as the other Western States and Territories. California, the great El Dorado for emigrants, does not receive in one portion of it all that go there, but each section of the State receives the benefits.

New Brunswick has made noble efforts to induce emigrants into that Province. The elaborate and able reports of Johnston, Gesner, Monroe and Perattention and inducing large numbers to settle respectable and attentive. there. Mere boundary lines are no check to settlers. The great question is to retard the tide setting westward; by facts and figures, fair arguments and candid discussion, show that the East possesses as great advantages as the West; that the soil is as fertile; the resources for manufacture ing as great; the climate as good, and the country as healthy; that with the same amount of labor, and enduring the same privations, a person can get of the division, on the adjournment question before on in life, and secure a competency here, as well the County Council. We regret the error. Mr as in any other section of the country. It is not Gibson voted against the adjournment. Mr. Gibonly the securing of emigration from the different ections of the older States and the Provinces that is going to be of importance, but the Old World is every year sending hundreds of thousands of her sons and daughters to the New to make for them-

agents stationed to set forth the advantages of the peared in the Royal Gazette before this time; as West; documents are circulated containing glowing descriptions of that country; Emigrant Aid Societies are established in this country to facilitate the same. their journey westward; railways, steamboats, and all public conveyances, issue their flaming hand-bills for the West; and is it any matter of surprise that through these various influences, that luctance omit this week, in order to make room for cities and towns have sprung, as if it were by magic, into existence; that colonics have been formed from the various nations of the Old World; that favors. Correspondents not attended to this, will with the prosperity of the other. Their joint mis- rit; but what of New Brunswick? Is all right? ance at the former was severe and the British suslands have been so enhanced in value; that wealth be remembered next week. almost rivalling the famed Arabian Nights has been poured into the coffers of speculators.

Extract of a Letter from PROF. HAYES. ENCLOSING A CERTIFICATE. Messas. Fellows & Co., Gents.: I made the examination of the Worm Lozenges, as you desired, and found only the product mentioned in your note, which was of course expected, but which was not the less interesting to me. You have made an excellent choice of ingredients, and the preparation is a tempting one and must me t with a large sale from its merits. I enclose a document which you may

Certificate. - I have analyzed the Worm Lozenges prepared by Mesers. Fellows & Co., and find that they are free from Mercury, and other metallic or mineral matter. These Lozenges are skilfully compounded, pleasant to the taste, mfe, yet sure and effective in their action. Respectfully, A. A. HAYES, M. D., Assayer to State of Mass.

Truly yours,

Fellows' Worm Lozenges are sold by all Apothecaries.

BUY ME AND I'LL DO YOU GOOD.
