Give them to some patient who has been prostrated with billous complaint : see his bent-up, tottering form straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores-who stands or sits, or lies in anguish. He has been drenched inside and out with every potion which ingenuity could suggest. Give him these PILLS, and mark the effect: see the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints: move him, and he screehes with pain. He too has been soaked through every muscle of his body with liniments and salves: give him these PILLS to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone-they have cured him. Give them to the lean, sour, haggard dyspeptic, whose gnawing stomach has long ago eaten every smile from his face and every muscle from his body. See erson. his appetite return, and with it health; see the new man. See her that was radiant with health and loveliness blasted and too early withering away : want of exercise, or mental Catherine McGonagle, Mrs. John McDonald, Christey anguish, or some lurking disease, has deranged the inter- McLeod. nal organs of digestion, assimilation or secretion till they do their office ill. Her blood is vitiated, her health is gone. Give her these PILLS to stimulate the vital principle into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood. Now look againthe roses blossom on her cheek, and where lately sorrow sat joy bursts from every feature See the sweet infant wasted with worms. Its wan, sickly-features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched-up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the PILLS in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do these things? Nay, are they not the marvels of the age? And yet they are done around you every day.

Have you the less serious symptoms of these distempers, they are the easier cured. Jaundice, Costiveness, Headache, Sideache, Heartburn, Foul Stomach, Nausea, Pain in the Bowels, Flatulency, Loss of Appetite, Kings' Evil, Neuralgia, Gout, and kindred complaints, all arise from the derangements which these PILLS rapidly cure. Take them perseveringly, and under the counsel of a good physician if you can; if not, take them judiciously by such advice as we give you, and the distressing, dangerous diseases they cure, which afflict so many millions of the human race, are cast out like the devils of old-they must burrow in the brutes and in the sea.
