Special Notices.

METHUEN, Mass., Aug. 26, 1857.

Messrs. P. Davis & Son—Dear Sirs: * * * * *
I have had occasion to use your PAIN KILLER very frequently during my residence in Burmah, and have found it a very useful medicine. I did not think I could visit the Jungles without it. In case of colic, diarrhea and cholera, the Pain Killer gives speedy relief, and for many other ailments I have found it beneficial. It is becoming popular in Burmah, among natives as well as Europeans. I always carry it with me for my own benefit and the good of the people where I go. Sincerely yours, M. H. BIXBY.

The Rev. H. L. Van Meter, writing from Bassein, Burmah, says: —"The Karens praise it very highly indeed. I cannot conceive how a single medicine could better meet their peculiar ailments and habits than does your Pain Killer. We are now using it freely in our family and find its excellent qualities confirmed with each renewed trial. Please send me 400 bottles first opportunity." Sold by all medicine dealers.

[The stain on linen from the use of the Pain Killer, is easily removed by washing in alcohol.]

Sold by all respectable Druggists. 28-2i

To Dyspeptics

And all who suffer the tortures which this disease inflicts in one form or another of its many phases, cure yourselves permanently and speedily by using

THE OXYGENATED BITTERS.

The "Weekly Novellette" of Sept. 18, says:

Dyspepsia is one of the prevailing diseases of our country. This is owing both to climate and the almost universal habit of eating our meals too rapidly to admit of proper digestion. But in spite of these adverse circumstance, this disease, even when it has become chronic, disappears rapidly by the use of the Oxygenated Bitters, which have been found to prove an infallible remedy.

From the Publisher of a widely circulated Magazine.

BOSTON, July 1, 1858.

Messrs. S. W. Fowle & Co.—I have taken three bottles of the Oxygenated Bitters, and have derived great benefit from their use. I have been much troubled with Dyspepsia for several years, and found nothing that afforded me any relief until I used the Bitters. I most cheerfully recommend them to all who are afflicted with this troublesome and stubborn complaint.

JAMES ROBINSON, of the "Student and Schoolmate."

From Gen. A. C. Dodge, our Minister to Spain.

WASHINGTON, D. C., May 18.

Dr. Geo. B. Green.—*Dear Sir:*—The Oxygenated Bitters with which you were so kind as to furnish me, have had a most salutary effect in my case. I was troubled with Dyspepsia for four years, during which time I tried many remedies, but never met with any so good as your Bitters. I am now in the enjoyment of good health, and I hope, and believe, that all who use the Oxygenated Bitters, will find them as serviceable as I have found them.

With high respect, your obt. servant,
A. C. DODGE.
