STANZAS FOR THE SENTIMENTAL

- On a Tear which Angelina observed upon my Nose Christmas Day at bed-time. What, though a silent tear may fall Adown this chiselled nose, Deem not that I past griefs recall,
 - Or weep for present woes: A future sadness bids me mourn, And pangs of anguish feel, As when one finds one's favorite corn
 - Beneath some fat man's heel. Think not in what has caused my grief,
 - That thou nast any part;
 - I would not suffer that belief To wound thy loving heart.
 - Think not a too tight boot my toes So cramp I fain would cry; It is not this that gems my nose,
 - And dims my glistening eye. A heavier cause, 'tis meet you hear, O'erwhelms my aching breast; I've eaten too much pudding, dear, And fear 't will spoil my rest!

They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people."

DYSPEPSIA - INDIGESTION. From Dr. Henry J. Knox, of St. Louis. "The PILLS you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. So peculiarly are they adapted to the diseases of the human system, that they seem to work upon them alone. I have cured some cases of dyspepsia and indigestion with them, which had resisted the other remedies we commonly use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them." DYSENTERY - DIARRHEA - RELAX.

hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses, for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children." INTERNAL OBSTRUCTION-WORMS-SUPPRESSION. From Mrs. E. Stuart, who practises as a Physician and Midwife in Boston.

From Dr. J. G. Green, of Chicago.

"Your PILLS have had a long trial in my practice, and I

"I find one or two large doses of your PILLS, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients." CONSTIPATION - COSTIVENESS. From Dr. J. P. Vaughn, Montreal, Canada. "Too much cannot be said of your PILLS for the curs of costiveness. If others of our fraternity have found them

as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your PILLS affect that organ and IMPURITIES OF THE BLOOD - SCROFULA - ERY-SIPELAS - SALT RHEUM - TETTER - TUMORS - RHEUMATISM - GOUT - NEURALGIA. From Dr. Ezekiel Hall, Philadelphia.

"You were right, Doctor, in saying that your PILLS purify the blood. They do that. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and infuse vitality and vigor into the system. "Such remedies as you prepare are a national benefit, and you deserve great credit for them." FOR HEADACHE - SICK HEADACHE - FOUL STOM-

-FITS - &c. From Dr. Edward Boyd, Baltimore. "DEAR DR. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your PILLS afford us the best we have, I of course value them highly. Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercu-

ry or mineral substance whatever. Ayer's Cherry Pectoral Has long been manufactured by a practical chemist, and

every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy the world has ever known for the cure of all pulmonary complaints; for Coughs, Colds, Hoarseness, Asthma, Croup, WHOOPING COUGH, BRONCHITIS, INCIPIENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant to the palaces of European kings. Throughout this entire country, in every state and city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best of all remedies for diseases of the throat and lungs. In many foreign countries it is extensively used by their most intelligent physicians If there is any dependonce on what men of every station certify it has done for them; if we can trust our own senses when we see the dangerous affections of the lungs yield to it; if we can depend on the assurance of intelligent physicians, whose business is to know; in short, if there is any reliance upon any thing, then is it irrefutably proven that this medicine does cure the class of diseases it is designed for, beyond any and all other remedies known to mankind. Nothing but its intrinsic virtues, and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies have been thrust upon the community, have failed, and been discarded, this has gained friends by every trial, conferred

benefits on the afflicted they can never forget, and produced cures too numerous and remarkable to be forgotten. Prepared by Dr. J. C. AVER, PRACTICAL AND ANALYTICAL CHEMIST,

Drugs, Medicines, &c.

From long practical observation of the treatment pursued in the various institutions of London and Paris for those diseases referred to in the above work, the author has had somewhat unusual facilities for acquiring thataccuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their fatile attempts to cure by mercury, copaiba, sarsaparilla, &c , have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally-qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration. PERSONS RESIDING ABROAD can be successfully treated by correspondence, on sending a full detail of their case; with a Bank note, or Bill on a London house for £5; in order to have a packet of medicines sufficient to meet the exigencies of the case, sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine. R. DE ROOS' GUTTÆ VITÆ; or LIFE DROPS. are the great remedy for Spermatorrhoea, Exheustion, Norvousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Mabits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c., are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English

medical men. Price 11s., and four times the quantity at 33s. per bottle, of the Agents below. The £5 packages containing twelve 11s. quantities, (by which £1 12s. are saved,) will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise. CAUTION .- Sufferers must guard against the recommendation of spurious or other medicines by unprincipled venders, who thereby obtain a larger profit. The words " WALTER DE Roos, London," are printed in White letters on the Stamp affixed to the above, by order of HER MAJESTY'S HONORABLE COMMISSIONERS, to protect the public against fraud, as without

this none can be genuine, and to imitate which is felony. Pains in the Back, Gravel, Lumbago, Rheumatism, Gont, Disease of the Kidneys and

Bladder, Stricture, &c. R. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseaess of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s. 9d., 4s. 6d., 11s. and 13s. per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners street, Oxford street, London. The superiority of these celebrated Pills over everything of the kind is universally acknowledged, and the extraor-

disary demand for them without precedent. Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.
