SEEDS.—The Boston Herald is certain that in Boston alone the seed trade will reach as high a figure as three millions. This includes grass and grain seeds, in which an immense business is transacted. Those who are accustomed to look upon the vegetable and flower seed business as a sort of five cent affair, will be surprised to learn that fifty thousand dollars worth of minute flower seeds are sold in Boston in a year; that ten tons of turnip seed, ten tons of beet seed, five thousand pounds of tomato seed, and five thousand pounds each of squash and cucumber seeds are sold. In the small article of mignonette, five hundred pounds of seed are required to supply the annual demand. In other varieties of seed, of which five or ten cents worth are enough for each individual, thousands and tens of thousands of dollars make up the aggregate of sales.

NOVA SCOTIA.—The Halifax papers of Saturday last state that writs have been issued for the general election, and that the polling will come off on the 12th May. Both parties have already selected the greater part of the candidates, and both assert that they will be successful.—*Globe.*

We observe by an exchange that the British Government (Tory) have appointed a number of Catholic Chaplains to the army.

Father Gavazzi lectured at Galway, last week, on Popery, which so enraged the mob that they barricaded a street through which he had to drive. His vehicle was stopped, and he had to make his escape on foot, amidst a shower of stones. The Rev. Mr. Brownrigge, who accompanied him, took refuge in the military barracks. The Rev. Mr. M'Manus, a retired Presbyterian minister, who was mistaken for Gavazzi, was very severely ill-treated, having been ejected several times from places in which he took refuge. Mr. O'Connor, an Independent missionary, was also abused.

COUGHS, COLDS, BRONCHITIS, ASTHMA, CROUP, WHOOPING COUGH, DISEASES OF THE THROAT AND LUNGS, and PULMONARY AFFECTIONS of the severest type, are quickly cured by that long tried and faithful remedy,

Dr. Wistar's Balsam of Wild Cherry,

Says a well known Editor:—"This is truly a Balsam and a blessing to invalids. It contains the pure balsamic principle of Wild Cherry, the balsamic properties of tar and of pine. Its ingredients, which are mingled after the true principle of chemistry, are all balsamic, and therefore it is safe and sure in effect. Coughs, Colds, Consumption, and Bronchial troubles disappear under its balsamic influence as though charmed away. Probably no medicine has ever attained so extended a sale or accomplished so much good as this renowned balsam."

CASSVILLE, GA., February 26, 1853.

MESSRS. SETH W. FOWLE & Co., Boston, Mass.

GENTLEMEN,—At the request of your Travelling Agent, I give you a statement of my experience in the use of Dr. Wistar's Balsam of Wild Cherry. I have been using it for two years in my family, for Colds and Coughs, and have found it the *most efficacious remedy* that I have ever tried.

For Coughs and Colds in children I *know* it to be an excellent medium.

Respectfully yours,
JOHN H. RICE.

Inflammatory Rheumatism.

MESSRS. PERRY DAVIS & SON—Gents.—I am at a loss to express with words the satisfaction it gives me to inform you of the benefit I have received from the use of your Pain Killer. About one year since, I was attacked with inflammatory rheumatism, being unable to walk for eight weeks; besides the confinement to the house, the pain I experienced no tongue can describe. But to return to the object of this letter. On the 27th of December last I had more severe attack than before. I immediately commenced using the Pain Killer made by you, which to my surprise immediately relieved me of pain, and saved me the necessity of being confined to my bed for one day. It is now eleven days since the attack, and the inflammation has entirely subsided. My limbs, which were tremendously swollen, have assumed their natural shape. In short, I am entirely well; and feel bound, by the common sympathies of my nature for those who may be afflicted, to make the above statement, that all may resort to the Pain Killer, that time, expense, and a world of suffering may be prevented.

HENRY WEED, clerk at 117 Genesee Street, Utica.

[The stain on linen from the use of the Pain Killer, is easily removed by washing in alcohol.]

Sold by all respectable Druggists. 35-2i

Mothers! Mothers! Mothers!

☞ DON'T FAIL TO PROCURE MRS. WINSLOW'S SOOTHING SYRUP, for Children Teething. It has no equal on earth. It greatly facilitates the process of teething, by softening the gums, reducing all inflamation—will allay all pain, and is sure to regulate the bowels. Depend upon it, mothers, it will give rest to yourselves, and relief and health to your infants. Perfectly safe in all cases.

This valuable preparation is the prescription of one of the most experienced and skilful female Physicians in New England, and has been used with never-failing success in millions of cases.

We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in children, whether it arises from teething or from any other cause. *Positively Sure* to give immediate relief to infants suffering from Wind Cholic.

If life and health can be estimated by dollars and cents it is worth its weight in gold.

Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.

☞ None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

PRICE ONLY 25 CENTS A BOTTLE.

Sold by Dr. Smith, (late W. L. Ferguson's,) Woodstock, wholesale and retail, at proprietor's prices. At Retail, by dealers in medicine generally.

☞ CRAMP & PAIN KILLER.—The world is astonished at the wonderful cures performed by the Cramp and Pain Killer, prepared by CURTIS and PERKINS. Its equal has never been known for removing pain in all cases; for the cure of Spinal Complaints, Cramp of the Limbs and Stomach, Rheumatism in all its forms, Bilious Colic, Burns, Sore Throat, and Gravel, it is decidedly the best medicine in the world. Evidence of the most wonderful cures ever performed by any medicine, is on circulars in the hands of Agents.

DIED.

At Woodstock, on the 29th ult., of Consumption, Amelia, the beloved wife of William Patchel, in the 34th year of her age, leaving three young children with her husband to mourn their loss.

Mrs. Patchel experienced a truly happy and peaceful death, in the certain hope of a joyful resurrection to eternal life through the merits of the Saviour.

Thou art gone to the grave; we no longer behold thee,
Nor tread the rough path of the world by thy side;
But the wide arms of Mercy are spread to enfold thee,
And sinners may hope, since the Saviour hath died.
