Non-Sciting a Creditor .- There was a lawyer in Cape Cod, a long time ago, a man well to do in the world, and, what was surprising, averse to litigation. One day a client came to him in a violent rage. "Look a here, Squire," said he, "that shoemaker down to the Pigeon Grove, has gone New Brunswick and Canada Railowed him." "Did the boots suit you?" HELPING THE PREACHER -Dr. Beecher once said everything that heart could wish, consisting of:to an old lady who had expressed her wonder to him that she was permitted to live, as she could not do any more good, "You are doing a great deal of good; you help me to preach every Sunday.' She was greatly surprised, and imquired how it could be. "In the first place," said he, "you are always in your seat on the Sabbath, and that helps me; in the second place you are always wide awake, and you look right up into my face, and that helps me; in the third place, I very often see the tears running down your face, and that helps me very much."

OXYGENATED BITTERS .- The cures effected by this remedy are truly astonishing. The confirmed dys peptic regains his pristine vigor, the Asthmatic " breathes freer," Indigestion disappears. These Bitters produce these wonders. Let all who suffer

MRS. WINSLOW'S SOOTHING SYRUP, FOR CHILDREN TESTHING .- This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never-failing success in thousands of cases It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and vigor to the whole system.

It will almost instantly relieve griping in the

bowels, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhoea in children, whether it arises from teething or from any other cause.
