TO PRINTERS AND PUBLISHERS. THE undersigned beg leave to inform the Trade that they have issued their New Quarto Specimen Book of PRINTING TYPES, BORDERING, &c., and that it is now ready for delivery to their old patrons, and to all who patronize their Foundry. In it will be found a new series of Faces, from Pearl to Pica, surpassing, if possible, their celebrated series of Scotch Cut Faces. The Fancy Type Department exhibits an unsurpassable variety of beautiful styles, selected from France, Germany

and England. The Scripts and Borderings are now, for the first time, presented to the printing public, and are the productions of the best American and European artists. An entire new series of German Faces, both for Newspaper and Job Printing, of a very superior style, is now completed and ready for sale. Every article necessary to a Perfect Printing Estab

LISHMENT furnished to order. The Metal from which the Type is made, will be found peculiarly adapted to the severe usage of Machine Press Printing. We have added to our Establishment everything neces sary for Electrotyping or Sterectyping in Copper, all Cuts, Job or Fancy Type, and all such other matter as may offer. embraced within the compass of 16x22 inches; as well as

N. B .- Newspapers who will insert the above four times, and forward us one copy, will be entitled to pay in any article of our manufacture, by trading four times the amount of their respective bills. JAMES CONNER & SONS. june 18.
