TROM the 1st February next, a parcel not weighing knife till it was blunted, the ruffian thrust his fork likewise report of Secretary Treasurer and abstract, right of the ferry for four years, offering to give a majority of the rate-payers of Brighton, and it any of the Post-Offices in New Brunswick. We don't know, however, whether he exercised into Lefort's head, and the prongs, coming in con- with Mr. Grover's statement confirming the bonds, if requisite, for the faithful completion of would be manifestly unjust for that Council to oppose itself, in a mere local matter, to the interests Application lost by 11 to 3.

> UNPRECEDENTED Success. - We are glad to learn that the Atlantic Monthly is meeting with great Resolved, That this Council will continue the favor from all sources, Though the publishers printed nearly thirty thousand copies of the January number, this large supply was entirely exhausted on the very day of publication, thus compelling O'N and after the 1st February next, Packages not exceeding two pounds in weight will be carried by many new subscribers and others to wait a few days Mail between any of the Post-Offices in this Province, as before obtaining a copy. The publishers have an- the following rates, viz.: other edition of several thousand in press, which will be ready in a few days, and with their present facilities they will be able to supply the demand. however large it may be. Their subscriptions, received by mail alone from all parts of the country have averaged more than one hundred a day, for some time past. Mrs. H. B. Stowe's new serial, "The Minister's Wooing," is immensely popular, as indicated by the success which is thus attending the enterprising publishers' efforts to make the Atlantic the embodiment of all that is entertaining and instructive .- Boston Traveller.
