electors of Carleton in any way, to the best of his course of industry and virtue, to a position of inability.

came out with the determination to be elected by broken English. the free will of the people or not at all. He had heard it stated that money was freely used on the other side; and it had been said, and he believed it, that parties interested in the College at Fredericton had authorized a gentleman in Woodstock to spend to the amount of £300, if there was any prospect of keeping him (Mr. Connell) out.

Mr. EINDSAY wished to explain, in the absence of Mr. Fisher, that that gentlemen had not been so general in his remarks, respecting the electors Carleton, as Mr. Harding had implied; Mr. Fisher stated that the politics of many of the electors was a \$5 bill. On nomination day Mr. Harding stated that he was not in favor of turning out old officers in order to supply their places with favorites; still, he had, it was said, supported the Fisher Government in the House, in consideration of having the patronage of the County, with the express condition that Mr. Winslow, the late Sheriff, should be turned out. But now the old Sheriff and the young Winslows were all found supporting Mr. Harding. [Here Mr. Lindsay commented upon the better state of things existing in the public officers than under the old system.] In Richmond, he (Mr. L.) peneil of genius. found the same parties voted for Mr. Harding. who, on a former occasion, voted for Mr. Tupper; and so, generally, the Tories supported Mr. II. He (Mr. L.) would like to see a Tory who voted for Connell.

Mr. HARDING again rose, and, among other reagainst them.

MR. PERLEY spoke of the reasons which led to the assumption of office by Mr. Connell, who, he had He (Mr. P.) observed that there was not in the oftener if occasion requires, called The Pike-Pole, Opposition material to form a government which would give satisfaction. He denied Mr. Harding's statement: his pledges were made publicly on the pectus we will find room for next week. bustings, and those pledges he had kept. He had no communication with the Independent (so-called, he could not promise to support the Gray Administration. The only issue in '56, as he understood it, with the Independents, was to keep Mr. Harding

RICHMOND, Nov. 18, 1858. The long looked for battle has been fought. The Liberals have triumphed. The Independents have been most signally defeated, and the troops on either side have retired into winter quarters .-

of such a brilliant campaign. There are many little episodes in war which bring out some of the nobler qualities of our race. See the heroism that disdains the claims of relationship. When the country is in danger, when principle (?) is at stake, observe the patriotism that prompts the father to raise the axe against the son, the son to brave the parental power. Regard less of a mother's tear, a sister's love, that son goes forth, clad in all the panoply of war, and engages in deadly (political) strife, -it may be with his brother, his neighbor, his friend; and for what? Echo answers, For what? It may be for the Yankee's Almighty Dollar. It may be that a morbid desire for railroads has destroyed the equilibrium of what might otherwise be termed an hon-

est mind. It may be that their active visions gloated over the prospective piles of gold that the inland transit would bring to their doors; but the iron horse, not influenced by the instincts of his namesake, prefers another, a more profitable route: and hence jealousy, anger, and all the embittered

A dashing, active young officer in our locality.

-believing that his merits have been overlooked in the distribution of honors,—deserts his friends and post, and enters the ranks of the enemy. With There is every indication at present that such a one the issue is Death or Victory. See him, assisted by one who has studied tactics in a foreign school, dash up to the muzzles of his enemies guns! Watch him as he charges the columns where long self and others (all, as Mr. Edgar Intimated in a peculiar way, leading Independents) were present. traders, who had not received from St. John their he was a favorite! Behold him "let slip the dogs of war!" See with what fell swoop he pounces upon the vulnerable points of his opposing foe! and It is just as well for the public to understand the hear the cheers, the loud huzzas, that greet the with snuff, thereby causing a sensation like intoxbeing then and there emphatically nailed, and the matter properly, and then they will have no diffi- youthful chieftain when he secures a prisoner from

The following is the account of money paid country people of the duke's native province for say that he had not endeavored to buy votes; he esting, none the less so because he speaks very out: to said two boys (ten years of age the one, the gentlemen of the bridal party to make a rush and twelve the other), £3 7s. 6d.; he charged for the "bride's kiss," as they call it, the first kiss and relief and health 25s. for labor and 10s. fees.; so, labor and fees of of the newly made bride, which entitles the happy his own family and himself comes to £5 2s. 6d. possessor to the left hand of the bride in the procession on leaving the chapel. The struggle £3 13s. 6d. I may mention, if said road wanted tween the emperor and Lucien Murat caused the New England, and has been used with never-failing suclabor on it, the time it was performed, it would greatest merriment. The Emperor was permitted, every respect to their former victories, and giving have been an injury. Fortunately the road was in by courtesy, to proclaim himself the victor, but Prince Lucien protested against the decision most The above speaks for itself, and can be better vehemently, and declared that the kiss had been imagined than described. Whether our by-road rightfully conquered by him. - Court Journal.

TRADE WITH CHINA .- At a public meeting Liverpool, Mr. Justice Haliburton said that the trade with China would be carried on mainiy through the Canadas and by Vaucouver' Island from the port of Liverpeol-a route 2500 miles

NEW LINE OF TELEGRAPH. - Mr. F. N. Gisborne who is now in Boston, has communicated to the Boston Courier a plan for a new line of telegraph, to extend from that city to Halifax, and eventually to Newfoundland and Ireland. Mr. G. says that the Nova Scotia Electric Telegraph Company having combined with him for the purpose of connecting Boston with Halifax, and ultimately with Great ed, which is, from Boston to Cape Ann, by land, on circulars in the hands of Agents. 30 miles; from Cape Ann to Yarmouth, N. S., by a submarine cable, 200 miles; Yarmouth to Halifax, about 200 miles. From Nova Scotia the line is to be extended, via Cape Breton, to Newfound- Wilson, of the Parish of Wakefield, to Mary, eldest daughter of Mr. Blanc Sablon, in the straits of Belle Isle, Such, in military parlance, would be the bulletin of any general who might have held the command being nearer to Ireland than Trinity Bay, it is proposed to extend the line to this point by means of a submarine cable, the distance being 310 miles, and the cost is estimated at \$250,000, the New York, Newfoundland and London Company having expended or issued stock for nearly five times that amount to reach the same point. Mr. Gisborne

thus foreshadows his scheme : It is proposed that the capital of the "Boston, self up to the struggle without a murn graph Company's 1000 miles of lines; 30,000 to be expended in thoroughly repairing the same; 150,000 for the cost of the Cape Ann and Yarmouth cable; 8,000 for the land line between Cape Ann and Boston; 92.000 as a reserve fund for extending lines, or other contingencies. Total,

The capital of the Company to be increased when t shall be necessary to extend their lines for the trans-Atlantic connection to the straits of Belle

The projector thinks that the revenue to be derived from the "Boston, Halifax, and London Telegraph Company" is self-evident. The present Company cannot compete with the new line, even if the tariff of prices should be reduced one-half, while the increase of business with Newfoundland consequent upon the arrival and departure of the Galway steamers, will no doubt demand another line. We wish Mr. Gisborne success in his new undertaking.

Eighty per cent. of the women of North Caroli na are said to be " snuff dippers." The process of snuff dipping consists of rubbing the teeth and gums ication, the nerves are excited and the head becomes a little giddy.
