STATE OF AFFAIRS AT CANTON. We have received, says the London Times, the following from an officer serving at Canton :

Desnitory.

are our troots to be well nigh decimated by sickmess and association ?" Within the last five days our czeculities have amounted to twenty-three unfortunate victims to the cowardice and treachery of our surage and cowardly enemy. Two men, a to be offered by him under the said Act. Deroponn and his servant, were kidnapped in the western suburbs, and of course, never seen again. The following morning I myself had a parrow detailed from the artillery train, pulling down house where the enemy some nights previous, taking advantage of the shelter afforded, threw in merly occupied by houses on our rear, and a narrow canal separating us from the landing place; a small Sepoy guard consisting of one corporal and four privates, for the Sixty-fifth Regiment, were placed by the Deputy essistant Quartermaster-General at the head of this street nearest our working party, and centries were posted facing either way. My European orderlies were acting under my directions, and seeing that the men did their work well. All of a sudden, without any apparent cause, the men at the right (Chinese) throw down their long bamboos with which they were knocking down the thin brick walls, and ran away with all headlong flight, followed immodiately by the left

THE Proprietor of this Establishment, thankful

to the printed directions which accompany each bettie --This may, in some cases, involve self-denial on the part of the patient, but is the only course which brings about restoration to health.

This Medicine is not introduced for the sole purpose of making money, it is a useful article and ought to be geneally known. The Proprietor purposes to supply the af icted poor without charge, upon the recommendation of respectable party, on condition that the patients will from time to time, make a statement of the effects of the medicine.

The Toxic Extract will make the flesh firm, give a good ppstite, and bring about a regular state of the system; when this happens, of course the spirits will become enlivened, and there will be a prospect of health and long
