COUGHS, COLDS, BRONCHITIS, ASTHMA, CROUP, WHOOPING COUGH, DISEASES OF THE THROAT AND LUNGS, and PULMONARY AFFECTIONS of the severest type, are quickly cured by that long tried and faithful remedy.

Dr. Wistar's Balsam of Wild Cherry.

Says a well known Editor:—"This is truly a Balsam and a blessing to invalids. It contains the pure balsamic principle of Wild Cherry, the balsamic properties of tar and of pine. Its ingredients, which are mingled after the true principle of chemistry, are all balsamic, and therefore it is safe and sure in effect. Coughs, Colds, Consumption, and Bronchial troubles disappear under its balsamic influence as though charmed away. Probably no medicine has ever attained so extended a sale or accomplished so much good as this renowned balsam."

CASSVILLE, GA., February 26, 1858.

Messrs. SETH W. FOWLE & Co., Boston, Mass.

GENTLEMEN,—At the request of your Traveling Agent, I give you a statement of my experience in the use of Dr. Wistar's Balsam of Wild Cherry. I have been using it for two years in my family, for Colds and Coughs, and have found it the *most efficacious remedy* that I have ever tried.

For Coughs and Colds in children I *know* it to be an excellent medium.

Respectfully yours,
JOHN H. RICE.

Inflammatory Rheumatism.

MESSRS. PERRY DAVIS & SON—Gents.—I am at a loss to express with words the satisfaction it gives me to inform you of the benefit I have received from the use of your Pain Killer. About one year since, I was attacked with inflammatory rheumatism, being unable to walk for eight weeks; besides the confinement to the house, the pain I experienced no tongue can describe. But to return to the object of this letter. On the 27th of December last I had more severe attack than before. I immediately commenced using the Pain Killer made by you, which to my surprise immediately relieved me of pain, and saved me the necessity of being confined to my bed for one day. It is now eleven days since the attack, and the inflammation has entirely subsided. My limbs, which were tremendously swollen, have assumed their natural shape. In short, I am entirely well; and feel bound, by the common sympathies of my nature for those who may be afflicted, to make the above statement, that all may resort to the Pain Killer, that time, expense, and a world of suffering may be prevented.

HENRY WEED, clerk at 117 Genesee Street, Utica.

[The stain on linen from the use of the Pain Killer, is easily removed by washing in alcohol.]

Mothers! Mothers! Mothers!

☞ DON'T FAIL TO PROCURE MRS. WINSLOW'S SOOTHING SYRUP, for Children Teething. It has no equal on earth. It greatly facilitates the process of teething, by softening the gums, reducing all inflamation—will allay all pain, and is sure to regulate the bowels. Depend upon it, mothers, it will give rest to yourselves, and relief and health to your infants. Perfectly safe in all cases.

This valuable preparation is the prescription of one of the most experienced and skilful female Physicians in New England, and has been used with never-failing success in millions of cases.

We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in children, whether it arises from teething or from any other cause. *Positively Sure* to give immediate relief to infants suffering from Wind Cholic.

If life and health can be estimated by dollars and cents it is worth its weight in gold.

Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.

☞ None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

PRICE ONLY 25 CENTS A BOTTLE.

Sold by Dr. Smith, (late W. L. Ferguson's,) Woodstock, wholesale and retail, at proprietor's prices. At Retail, by dealers in medicine generally.

☞ CRAMP & PAIN KILLER.—The world is astonished at the wonderful cures performed by the Cramp and Pain Killer, prepared by CURTIS and PERKINS. Its equal has never been known for removing pain in all cases; for the cure of Spinal Complaints, Cramp of the Limbs and Stomach, Rheumatism in all its forms, Billious Colic, Burns, Sore Throat, and Gravel, it is decidedly the best medicine in the world. Evidence of the most wonderful cures ever performed by any medicine, is on circulars in the hands of Agents.

DIED.

On Sabbath morning last, after a short but severe illness, Victoria English, the beloved wife of Stephen Smith, Esq., M. D., and youngest daughter of the late Richard English, Esq., leaving behind her a large circle of relatives and friends to mourn their loss.

The death of this amiable lady, so unexpected and unlooked for, has cast a deep gloom over this entire community, and all, whether rich or poor, seem to feel that they have lost a very dear friend.

On the day of her funeral, a large concourse of people followed her precious remains to their last resting place in the tomb, and the great esteem in which she was held was exhibited by the closing of the shutters and doors of the stores on the street through which the procession moved.

In the last hours of life, she gave very pleasing evidence of her acceptance with God, through Christ, and that her departing spirit was resting on and trusting in the atonement alone for salvation. J.

At Charlottetown, (P. E. I.,) on the 18th inst., of Scarlet Fever, in the 31st year of her age, deeply lamented by a numerous circle of friends, Josephine Augusta, the beloved wife of Mr. Albert H. Yates, merchant of that City, and youngest daughter of the late Mr. Samuel Watts, formerly of St. John, N. B.

At Howard Settlement, Canterbury, on the 9th April, Mary Jane, daughter of Robert and Florence Nutter, aged ten years and seven months.
