Estimated amount of Ordinary Revenue to arise from,-Exports, Casual and Territorial Revenue, Surplus Civil List, Proceeds of Seizures, Supreme Court Fees, Auction Duties, Warehouse Privileges,

Estimated amount of required Expenditure from Ordinary Authorised by existing Laws, To be voted by the Legislature,

Total estimated Expenditure from the Ordinary Revenue,

The present Revenue Bill produced last year £93,000. The Government estimate that the same bill will give this year £10,000 more, or £103,000, and they propose so to amend the law as to give £110,000. The estimated expenditure exceeds Education and £1,000 for steam communication between Shediac and the northern counties. The hon. Secretary stated that Government intended to bring in a bill to encourage Agriculture, to contain great to warrant its adoption, but it was proposed Manufactured productions every three years, commencing in 1860 and to be held in different parts of the Province, and for the encouragement of this object £750 had been appropriated.

It was proposed that all the public buildings, including light houses, should be under the department of Board of Works. This statement was made while the hon. Secretary was referring to the Provincial Penitentiary and Lunatic Asylum, and he said it might be found necessary so to amend the law that patients in the Lunatic Asylum who had means could be compelled to pay

A further grant of £500 was asked to encourage Emigration, and he stated that some £200 of last year's grant had not been expended.
