of the proprietors of advertised medicines generally, but we are Fewer, William forced to concur in opinion, uniformly expressed by .ul who have Ferguson, William Parsons, John used Perry Davis' Pain Killer, that it is a very valuable article, and one that it would be well for every householder to have at hand, in case of bruses, scalds, burns, diarrhæa, dysentery, cholera, feaver Howard, Charles and ague, and the host of diseases, external and internal, which it is adapted to cure or alleviate. No article of medicine ever attained to such unbounded popularity and extensive diffusion. Invented only sixteen years since, its curative powers have been experienced by many, many thousands in every section of the United States and i Canada. it has penetrated to every part, even the most remote of the known world, bearing with it its healing influences more potent thou those of the spices of "Araby the blessed." We are informed by our principal druggists, that they sell more of this article for ex portation than of any or all others, and that the demand is constantly increasing .- Salem Observer.
