## Joy to the World !

DEAR SIR: - I feel that it is a duty I owe to suffering humanity 7 that I should give a relation of the great benefits I have derived Public Auction at Newcastle, by the Indian Commissioners from the use of Perry Davis's Pain Killer. Last summer I had the at noon on Wednesday the 18th May next .- Upset price misfortune to lose two of my children by that dreadful scourge the 4s per acre. cholera-and in all human probability should have fallen a victim to the pestilence myself if a kind Providence had not provided me help in the hour of need. I first became acquainted with the Pain Killer whilst travelling on the river with my husband. A gentleman passenger had some with him which he recommended in the highest terms as a remedy for cholera. I thought no more of at the CON QTLS. I was seized with violent cramps, and my discharges began to assume the same character as did those of my dear children previous to their death. I was looked upon as lost, but all at once thought of the PAIN KILLER. My husband obtained the bottle from a fellow passenger and administered to me a dose. I experienced almost immediately a cessation of pain. The dose was repeated at intervals of fifteen minutes, four or five times, and the result was my complete recovery. I feel confident that I owe my life to the Pain Killer, and only regret that I had not have known | 10 Do. As a great family medicine, it has no equal.

WASHINGTON, D. C., May 18. DR. GEO. B. GREEN,-Dear Sir:-The Oxygenated Bitters with which you were so kind as to furnish me, have had a most salutary effect in my case. I was troubled with Dyspepsia for four years, during which time I tried many remedies, but never met with any so good as your Bitters. I am now in the enjoyment of good health, and I hope, and believe, that who use the Oxygenated Bitters, will find them as serviceable as I have found them. With high respect, your obt. servant,
