THE WASHINGTON MURDER.

WASHINGTON, Feb. 28th.

For more than a year there have been floating rumors of improper intimacy between Mr. Key and Mrs. Sickles. They have frequently attended parties to the opera and rode out together. Mr. Sickles has heard of these reports but never credited them until Thursday evening last. On that evening just as a party was about breaking up at his house, Mr. Sickles received among his papers an anonymous letter which informed him of the infidelity of his wife, of her intimacy with Mr. Key, and the place of rendezvous. The letter was so plausible in its statements and gave such precise directions for the detection of the parties in their clandestine meetings that Mr. Sickles decided to investigate the facts. Accordingly he placed the letter in the hands of his most intimate friends, who last evening possessed themselves of evidence satisfactory to Mr. Sickles that Mr. Key had rented a house of a negro in 15th street which he used as a place of rendezvous with Mrs. Sickles. On Sunday morning being in great agony of mind, Mr. Sickles in the presence of two witnesses charged his wife with having had illicit intercourse with Mr. Key. At first Mrs Sickles declared her innocence. Mr. Sickles then paraded before her the evidence of her guilt. She became overwhelmed with the sudden arraignment, fainted, and finally confessed her guilt. Mr. Sickles was not satisfied with the verbal confession, but desired Mrs. Sickles to make a confession in writing. She complied and also informed him how often Mr. Key had been in the habit of seeing her, and his mode of telegraphing to her by a wave of the handkerchief when he wished her to come out. Mr. Sickles' residence is No. 7, President's Square, in view of Jackson's statue which is opposite the White House in full view of Mr. Sickles' residence. On the other side of the square in 15½ street is the Washington Club House, where Mr. Key frequented, and from one window of which Mrs. Sickles says he was in the habit of telegraphing her with his white handkerchief. If Mr. Sickles was absent she was in the habit of returning the signal.

About two o'clock Sunday, Mr. Sickles saw Mr. Key come out of the club House, and go round the square and walk past his (Sickles) house two or three times. He made the signal for Mrs. Sickles once or twice, when Mr. Sickles armed himself with a five bore six inch revolver and two single barrel derringers, which carry each a ball double the size of the revolvers, went out of his house and walked down past the President's, and met Mr. Key. The latter greeted the former, and was about offering him his hand, when Mr. Sickles, refusing to take Mr. Key's hand, said: "Sir, you have dishonored me: prepare to die." Mr. Key started back a few feet, exclaiming: "What for? what for? Don't! don't!" and made a movement as if seeking for a weapon in his left breast, which proved to be an opera glass, which he threw at Sickles. Mr. Sickles then drew one of his derringers and shot Mr. Key, who staggered some; Mr. Sickles shot at Key again with his second derringer, which sent Key reeling against a tree; he cried out murder, when Mr. Sickles fired a third time, from his revolver, and Mr. Key fell. Mr. Sickles, believing him dying, desisted and did not fire again.

Mr. Samuel F. Butterwort, Sup't of the Assay Office, New York, was conversing with Mr. Key when Mr. Sickles came up, and witnessed the affair, and then went with Mr. Sickles to the office of U. S. Attorney General Black. He expressed a desire to surrender himself, and accordingly sent for the Mayor (the Marshal of the District being absent,) and in company with that magistrate rode in his carriage to the District jail.

Immediately after the shooting the body of Mr. Key was picked up and conveyed into the Club House from which he was in the habit of telegraphing to Mrs. Sickles.

One shot took effect in the groin, the ball passing through the body to the skin at the back, where it remains; another entered the right chest, and the third grazed the skin immediately outside where the firsr ball lodged.

The examination concerning the killing of Mr. Key did not take place to-day, as was anticipated.

Mr. Sickles has retained as counsel Mr. Stanton of Pittsburg, Mr. Chilton, Mr. Ratcliffe, and reports say others, including David Paul Brown.

Through the intervention of a friend Mr. Sickles has consented that for the present Mrs. Sickles and their child shall remain with her mother, who has been telegraphed, and is expected to arrive here to-night.

The jail was to-day visited by many of Sickles' friends.

Numerous rumors are afloat concerning all the parties, having the effect to aggravate the facts, already painfully distressing, and many of the reports are pure fiction.

WALKING AND PURE AIR.—Anaximines taught that air is mind. Some one else says air is the hidden food of life. Plutarch seems to incline to Anaximines' opinion, remarking that perhaps the reason why there is a sympathy of feeling on various subjects, arises from breathing the same air. Air is an exhilaration of all the minerals of the globe; the most elaborately finished of all the works of the Creator—the rock of ages disintegrated and fitted up for the life of man. All classes of men affirm this. Sydney Smith says to public speakers that if they would walk twelve miles before speaking, they would never break down. In English Universities, boat races, horseback rides, and ten mile walks are a part of the educational means for physical development. Plato says a walk in the open air will almost cure a guilty conscience.—*Emerson.*

During the conflagration of Canton caused by the bombardment of the British, the extensive medical warehouse of our countryman Dr. J. C. Ayer, of Lowell, the depot of the Cherry Pectoral and Cathartic Pills for China, was totally destroyed. He now makes a demand upon our government for indemnity for the loss of his property, and hence will grow another nut to crack with our elder brother Johnny. Stick to it Doctor; and if our Government maintains our rights wherever your Pills are sold, we shall only be unprotected on tracts that are very barren.—*Reformer, Trenton, N. J.*

CEMENT TO RESIST BOTH FIRE AND WATER.—Half a pint of milk, half a pint of vinegar; let them simmer together till the curd separates. Strain, and with the whey mix the white of five eggs well beaten up. When well mixed, add sifted quick lime till the whole is about as thick as putty. Do not put your hands into it, as it has a tendency to make the skin sore. Lay it on every part of the broken edge, and make the edges fit exactly: when perfectly dry, it will be found to resist both heat and moisture, and the article will be as strong as when new.

* * *

SALT RHEUM.—There is no disease of the skin so distressing and obstinate as the chronic forms of eczema, commonly called Salt Rheum. Persons of the highest social position, have been cured of this in a surprisingly short time by the Peruvian Syrup—like all other cutaneous affections, Salt Rheum must yield to its powerful action on the absorbents and to its tonic and alterative qualities.

A lady who began to weary of the criticisms of a party of gentlemen on crinoline, exclaimed, "So long as hooped skirts keep foolish people at a convenient distance, just so long will they be tolerated."

DAVIS PAIN KILLER.—A preparation intended as a Balm for aches and pains was discovered by Perry Davis, of Prov., R. I. Its popularity became universal, and it is as popular to-day, as ever it was. It may be found in the closet or cupboard of all families ready for use at an instant's warning, and is considered the best article known for "the pains that flesh is heir to."—*Boston Bee.* Sold by all medicine dealers.

Mrs. Winslow's Soothing Syrup is sold by all druggists throughout the United States.

The captain of a small vessel just arriving in the harbor of New York, directed one of his crew, an Irishman, to throw the buoy overboard. He was then stepping into his cabin. On his return, the captain inquired if his order had been obeyed.—The Irishman, with great simplicity replied, "I could not catch the boy, sur, but I threw overboord the darkey cook."

TONIC EXTRACT,

A Medicine which possesses Extraordinary Virtues, and has made many Cures.

THE Proprietor has been for years experimenting and endeavoring to discover a medicine, which could be relied upon in the above complaints, and is happy to inform the afflicted that he has at last succeeded beyond his expectations, having never known an instance where the timely administration of the Tonic EXTRACT failed to do good.

It is necessary, however, to use this medicine according to the printed directions which accompany each bottle.—This may, in some cases, involve self-denial on the part of the patient, but is the only course which brings about restoration to health.

This Medicine is not introduced for the sole purpose of making money, it is a useful article and ought to be generally known. The Proprietor purposes to supply the afflicted poor without charge, upon the recommendation of a respectable party, on condition that the patients will from time to time, make a statement of the effects of the medicine.

The Tonic Extract will make the flesh firm, give a good appetite, and bring about a regular state of the system; when this happens, of course the spirits will become enlivened, and there will be a prospect of health and long life.

The Proprietor takes the liberty of using the name of the Rev J. Blakeney, Baptist Missionary, for a reference in support of the good qualities of this Medicine.

The Tonic Extract is put up in four ounce phials—price 1s. 3d. per phial.

Ayer's Pills

Are particularly adapted to derangements of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these PILLS are found to cure many varieties of disease.

Subjoined are the statements from some eminent physicians, of their effects in their practice.

AS A FAMILY PHYSIC.

From Dr. E. W. Cartwright, of New Orleans.

"Your PILLS are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS.

From Dr. Theodore Bell, of New York City.

"Not only are your PILLS admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people."

DYSPEPSIA — INDIGESTION.

From Dr. Henry J. Knox, of St. Louis.

"The PILLS you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. So peculiarly are they adapted to the diseases of the human system, that they seem to work upon them alone. I have cured some cases of *dyspepsia* and *indigestion* with them, which had resisted the other remedies we commonly use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them."

DYSENTERY — DIARRHŒA — RELAX.

From Dr. J. G. Green, of Chicago.

"Your PILLS have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses, for *bilious dysentery* and *diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children."

INTERNAL OBSTRUCTION—WORMS—SUPPRESSION.

From Mrs. E. Stuart, who practises as a Physician and Midwife in Boston.

"I find one or two large doses of your PILLS, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients."

CONSTIPATION — COSTIVENESS.

From Dr. J. P. Vaughn, Montreal, Canada.

"Too much cannot be said of your PILLS for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your PILLS affect that organ and cure the disease."

IMPURITIES OF THE BLOOD — SCROFULA — ERYSIPELAS — SALT RHEUM — TETTER — TUMORS — RHEUMATISM — GOUT — NEURALGIA.

From Dr. Ezekiel Hall, Philadelphia.

"You were right, Doctor, in saying that your PILLS *purify the blood.* They do that. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and infuse vitality and vigor into the system.

"Such remedies as you prepare are a national benefit, and you deserve great credit for them."

FOR HEADACHE—SICK HEADACHE—FOUL STOMACH—PILES—DROPSY—PLETHORA—PARALYSIS—FITS—&C.

From Dr. Edward Boyd, Baltimore.

"DEAR DR. AYER: I cannot answer you *what* complaints I have *cured* with your PILLS better than to say *all that we ever treat with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your PILLS afford us the best we have, I of course value them highly."

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Ayer's Cherry Pectoral

Has long been manufactured by a practical chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy the world has ever known for the cure of all pulmonary complaints; for COUGHS, COLDS, HOARSENESS, ASTHMA, CROUP, WHOOPING COUGH, BRONCHITIS, INCIPIENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant to the palaces of European kings. Throughout this entire country, in every state and city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best of all remedies for diseases of the throat and lungs. In many foreign countries it is extensively used by their most intelligent physicians. If there is any dependence on what men of every station certify it has done for them; if we can trust our own senses when we see the dangerous affections of the lungs yield to it; if we can depend on the assurance of intelligent physicians, whose business is to know; in short, if there is any reliance upon any thing, then is it irrefutably proven that this medicine does cure the class of diseases it is designed for, beyond any and all other remedies known to mankind. Nothing but its intrinsic virtues, and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies have been thrust upon the community, have failed, and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and remarkable to be forgotten.

By WALTER DE ROOS, M.D., *of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c.,* 10, Berners-street, Oxford-street, London. Hours for personal consultation daily from 1 till 4, Sunday excepted.

Drugs, Medicines, &c.

From long practical observation of the treatment pursued in the various institutions of London and Paris for those diseases referred to in the above work, the author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the lamentable neglect of those diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c, have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally-qualified medical man who devotes his chief attention to their removal; and to him only who can *show his possession* of the necessary qualifications, can confidence be *safely* extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration.

PERSONS RESIDING ABROAD can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case, sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROOS' GUTTÆ VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c., are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s., and four times the quantity at 33s. per bottle, of the Agents below. The £5 packages containing twelve 11s. quantities, (by which £1 12s. are saved,) will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—*Sufferers must guard against the recommendation of spurious or other medicines by unprincipled venders, who thereby obtain a larger profit. The words* "WALTER DE ROOS, LONDON," *are printed in White letters on the Stamp affixed to the above, by order of* HER MAJESTY'S HONORABLE COMMISSIONERS, *to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.*

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s. 9d., 4s. 6d., 11s. and 33s. per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners street, Oxford street, London.

The superiority of these celebrated Pills over everything of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.
