THE OXYGENATED BITTERS. The "Weekly Novellette" of Sept. 18, says : Dyspepsia is one of the prevailing diseases of our country. This is owing both to climate and the almost universal habit of eating our meals too rapidly to admit of proper digestion. But in spite of these adverse circumstance, this disease, even when it has be-

come chronic, disappears rapidly by the use of the Oxygenated

Bitters, which have been found to prove an infallible remedy.
