FINAL NOTICE.

THE Accounts of all persons indebted for the SENTINEL over Two Years, unless they are immediately settled dertaking. by Note or otherwise, will be saed. Notes of Hand past due must likewise be settled at once. This step is necessary, as perfect indiference has been manifested by many to ordinary duns, and will positively be resorted to. For a short time Butter, Eggs, Oats, &c., will be taken in payment of above. Woodstock, July 9, 1859.

The Carleton Sentinel.

SATURDAY, AUGUST 20, 1859.

The Saint Andrews Railway.

We take the following from the St. John Globe of the 16th inst. . The subject is one of interest to our readers, and the information detailed important -some of it rather amusing. No comment is necessary, save the statement that the Attorney General does not own a foot of property in Wood-

. It seems to be most unfortunate for the lower tal has been expended, and it all at present remains decorations. On Main Street the character of the the whole was brought to a stand still. An attempt

suspension of operations, a meeting of the Company carried out to a certain point near Woodstock, the traffic would be ample to pay a good dividend on the capital. They would be happy to confer with Immediately below the College, Mr. George II. the shareholders as to the best course of relieving Connell has erected (it is now nearly completed) a the report and statement of accounts.

Company, when the following remarks were made: of the builder, Mr. Morse.

". Mr. Robson thought the undertaking only required confidence to insure its completion. He tee of three shareholders to confer with the directors. to report thereon to a future meeting.

"On this suggestion being made, the motion to residences erected. adopt the report was withdrawn, and this put in its place. The Journal says:

"A long discussion ensued, in the course of nation of the accounts of the Company.'

"A Mr. Convbeare attacked the whole manageback his money. After a considerable conversation of the town and its business. upon the general business of the Company, the Chairman said, 'the confidence of the board had was the chief cause of their present difficulty.'

embarrassment of the Company complete.

" Some discussion then ensued as to the legal rights of the Company if they completed the railhad given an opinion that the line must be completed has ever had. Why should he be jealous?

would be requisite.

how it should be done.

the line should go through Richmond Corner; and deavored to do their duty to the shareholders in exceeded. The moment they were apprised of that, bly the pictures were truly drawn.

they instituted the most careful enquiry, and the The bazaar at the Institute on Tuesq,

> embarrassment of the Company, and why they wish to avoid building the line to Woodstock. The was served, after which the Woodstock Brass and a ground to the passion of the moment, for which Attorney General is entitled to our thanks for his played several popular airs in their usually ood on the morrow there is no cause. opinion—based as it is upon the Act of Assembly, style. The receipts we have not learned, buthey and is unquestionably sound. The Solicitor of the Company has been misinformed as to the population of Richmond Corner. It is easy to trace the attack apon the opinion of the Attorney General to its proper source. The Manager here no doubt has sent on the information about the property of this G. Lorimer, at St. John. officer in Woodstock. We are informed that the Attorney General is not an extensive propertyholder in Woodstock: if he was, it would be a jon is directed to a notice in another column poor reason against his opinion in the present

In and about Town.

Although there are not so many new buildings being put up this season as in some preceding ones, venience. The Postmaster General desces the still the improvements going on in and about the public thanks for these and other improvements town are of an extent and character very striking recently announced.
