Taxation for Schools.

The Colonial Presbyterian reports the Chief Superintendant of Schools as having, at an educational meeting in St. Stephen, offered the following : " On the subject of direct taxation, Mr. Fisher stated that he believed it was the true principle, and that he would be glad to see it adopted, but he did not advocate it. He stated that he would deprecate nothing so much as hasty legislation on a subject for which the country was not yet prepared,

pared for an act imposing direct taxation."

him. A moment after he received a second blow on the head, but in the confusion which prevailed the hand of the soldier woo struck was turned aside so that the flat of the sword only hit him ; in another moment a dragoon placed his carbine close to the viscounts cheek but it missed fire. M. Talon then received a violent thrust from a bayonet, which threw him to the ground, but the soldier who gave it was astonished to see him soon after rise an get away. The soldier no doubt thought the young officer had some talisman about him. and so he had. In the campaign in the Crimea, M Talon one day complained that he had broken the glass of his watch, ond could not get it replaced .--One of his soldiers said, " Lieutenant, you have no

am a watchmaker by trade, and have some tools in my knap-sack. If you have a piece of 2f. 1 will put you in a glass that will never break." M. Talon gave the man his watch and a piece of 2f., and the man very skillfully beat out the coin until it became large enough, and then fixed it in the case so as to occupy the place of the glass. The watch then presented this particularity, that the cases were gold, and the part where the glass ought to be seen, silver. On his return to France M Talon continued to wear the watch both as a cur-But so violent was the thrust that the point of the bayonet passed both the coin and the watch !
