A GREAT FEAT .- A workman recently ascended a chimney in Worcestershire, England, 312 feet in height, for the purpose of adjusting a lightning rod. He accomplished the perilous undertaking by apr 30. preparing twenty-four ladders each twenty one feet in length; and having placed one in a position at the exterior part of the chimney, spliced the second to it by ropes, at the same time securing it from motion by pins placed to the chimney. In this way each of the twenty-four ladders was raised. The chief difficulty, however, was in fixing and ascending the last ladder, there being a cornice at the top of the chimney projecting three feet six IN this department of our business we have just opened inches. This also was cleverly accomplished, and the venturesome contractor reached the top and performed the job. To ascend a chimney of this which we would particularly notice the height by ladders is a feat never before accom-

A SUBTERRANEAN FOUNTAIN OF OIL .- The Pensylvania Rock Oil Company own some valuable property in Titusville, Pa., if a letter in the New York Tribune is correct. The letter states that a week or two since the agent of the company, while boring for salt, or to find the source of oil which is TWO HUNDRED PLOUGHS! so common along the banks of Oil Creek, at the depth of 71 feet, tapped a vein of water and oil, which yields 400 gallons of pure oil every 24 hours. The pump throws five gallons per minute of water and oil rises to the top and the water is drained off at the bottom. The story seems improbable, but we presume that the Tribune is satisfied with its authenticity.

The other day an Irishman at work in a stone quarry found a skunk under a flat stone which he was raising. Catching a glimpse of the animal, he stoped lifting, called to a companion to hold the stone while he got the kitten out, and not kill the poor little thing. Jemie came, held up the stone while Patrick got down upon his knees, reached his hand under and pulled out the animal. Handling it a little too rough for ordinary occasions, he all of a sudden let go, and sang-" Howly Mither of Moses, what has the cat bin ateing."

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints: -

SCROFULA AND SCROFULOUS COMPLAINTS. ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, ROSE or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of

life is disordered or overthrown. Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

or any thing else. During late years the public have been mis-led by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS. Price, \$1 per Bottle; Six Bottles for \$5. Ayer's Cherry Pectoral,

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been em-ployed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do. Ayer's Cathartic Pills,

Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood. They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cents per Box; Five boxes for \$1.00. Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on.
