Davis' Palu Killer.

No medicine is more prompt in its action in case of Cholera Morbus, &c., than Perry Davis Pain Killer. It is the acknowledged antidote which seldom fails if applied in its early symptoms. No family should be without a bottle of it always on hand.

The stain on linen from the use of the Pain Killer is easily removed by washing it in alcohol. Davis' Pain Killer seems particularly efficacious in cholera morbus, bowel complaints, and other diseases to which the natives of Burmah, from their unwholesome style of living, are peculiarly exposed. It is a valuable and dote to the poison of Centifedes, Scorpions, Hornets &c Rev. J. Benjamin, late Missionary in Burmah Sold by all respectable Druggists.
