BRITISH REVIEWS. GREAT INDUCEMENTS TO SUBCSRIBE! Premiums and Reductions.

L. SCOTT & Co., New York, continue to publish the following leading British Periodicals, viz.:

THE LONDON QUARTERLY (Conservative.) THE EDINBURGY REVIEW (Whig.)

TH NORTH BRITISH REVIEW (Free Church.) THE WESTMINSTER REVIEW (Liberal.) BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, seientific and theological character, we urge them upon the consideration of the reading public. The receipt of Advance Sheets from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers
