SACRILEGE.—On Sunday last, sometime between the morning and evening services, the Cathedral was entered by a thief or thieves, who broke open the poor box and emptied it of its contents. The amount stolen is not known. Fredericton will soon acquire an unenviable notoriety.—*Head Quarters.*

That modern Samson. Dr. Winship, of Boston has recently astonished his friends and admirers by lifting a dead-weight of *eleven hundred and sixty pounds.* Muscle and mind are uppermost now-a-days.

His active limbs, his rosy cheeks,
His bright and sparkling eyes
Oh! how they haunt a father's thought,s
And cause a mother's sighs?

Cold! cold in death they now remain!
No more to feel our love,
But O! the soul that let them up
Has soared to God above.

Then may we seek a home in heaven,
Where all is peace and joy,
And meet among the happy throng
Our little cherub boy..

OFFER FOR SALE

Machine Belting, Steam Packing,
And all other articles of
VULCANIZED INDIA RUBBER.

MACHINE BELTING.

The experience of the past fourteen years has gained for this Belting the confidence of manufacturers and consumers. The great improvements recently made in its quality warrant us in asserting it to be superior to leather for all open Belts—especially for heavy or main Belts.

Its first cost is much less than leather—it is stronger and more durable, and gives a gain in power on the pully. It will stand a heat of 300 degrees unaffected,—no degree of cold or wet can injure its working. In all respects it is recommended for saw Mills, Mines, Grain Elevators, Machine Shops and Manufactories.

☞A large assortment always on hand.

FIRE ENGINE HOSE.

Hose of any size and strength made to order, also, Suction Hose for Fire Engines and other purposes.

The above Hose has great advantage over leather, as it needs no oiling, is perfectly tight, will stand a very high degree of heat without injury, and is not affected by the severest cold.

Couplings, Hose-Pipes, &c., furnished at the lowest prices.

CITY MARKET.

"THE WORLD MOVES," and we still exist, thanks to the regenerating influence of enterprise. Notwithstanding the "rack of matter and the crash of worlds," of falling Timber, the

CITY MARKET,

Phœnix like, has arisen from its ashes and taken its place in the centre of Phœnix Row, dispensing its

GOODIES

to all that come within its lucious influence. Here the frugal Housewife can allay her coming fears by obtaining material for a "hasty bowl of soup," broil of Salmon, or a "Titbit" from the "herds of the stalls," or the "first-lings of the flock."

Or, in other words, where materials may be obtained for a "Fast Dinner," fit for a lawyer.
