SATURDAY, OCTOBER 22, 1859.

Wakefield and Brighton Agricultural Show. We referred a short time since to the fact that the Wakefield and Brighton Agricultural Society Corner on Tuesday was a convincing proof that the still preserved vitality. The Show at Victoria Society is well managed, and that the members, prosperity. When we arrived at the grounds, we found a large gathering of people, and the Judges in the various departments, busy attending to their provided for the Grand Jury Room. duties. The show of horses and working cattle, was unusually fine,—a pair of the latter, owned his claim for inspection of the Gaol as soon as the by Mr. Wm. Nelson, attracted much attention : they each, we were informed, girted 71 feet. The yearling steers and bulls were, as well as the neat cattle, very good. The display of yearling and two-year-old colts was the best we have ever seen anywhere, either in the United States or Previnces. The show of swine was limited. Among the sheep, of which there was not a very notable collection the rams were very fine, as were some of the yews

and lambs. exceedingly creditable, and the display of mammoth while they indicated the industry and economy of very beautiful quilt.

We were much pleased with a cotton carpet, by Joseph Sherwood. A capital sleigh, the wood in this department so limited, and trust that in

to emulate them.

Carleton Municipality.-Special Meeting. COURT HOUSE, October 14, 1859.

Warden in the chair.

Present-Messrs. Gallop, Corbet, Hartley, Esta brooks, Clowse, Hemphill, Lindsay, Rideout, Kilburn, Hayward, Orser, Giberson.

special meeting, and read the requisition, there-

Resolved, That the whole Council take the specifications and plans, and proceed to the Gaol, and see if the work has been done according to contract. highly pleased with the afternoons entertainment, For four days we remained in communication and Mr. Hayward seconded,

TELEGRAP

ARRIVAL OF THE EUROPA.

HALIFAX, October 20th. The Europa arrived yesterday. Nothing further as to the proceedings at Zurich,

beyond the general assertion that progress continued to be made towards signing the treaty of peace. The latest reports say that the treaty between France and Austria will probably be signed at Zurich, on the 10th or 12th instant.

Official correspondence between the British Govt. pressed doubts as to the result of attempting to force the passage of Peiho, they would not have been shared by the squadron; and if it be decided that the means at command were insufficient to justify so bold a line of policy. Bruce accepts the responsibility of the Admiral's act. Russell's reply virtually approves of the course taken, and says preparations are being made, in conjunction with France, to en enable forces to support plenipotentiaries in their instructions. Bruce expresses much gratification at the friendly feeling and assistance experienced from Mr. Ward and Flag Officer

No further change in Great Eastern's programme. She will probably leave Portland on the 8th, and arrive at Holyhead on the 11th. Her departure The London Times says fabricators of false coin have been very active, either in Mexico or United States; large quantities of dollars received via New York have been found bad.
