Worcester's Quarto Dictionary 7 50 A Liberal Discount made to the Trade, to Teachers,

and to Schools. These Dictionaries have received the approval of the most eminent literary men, both in England and America. The Royal Quarto Dictionary, although first published in January, 1860, has already become the standard work in smaller works, especially the Comprehensive and the Primary School Dictionaries, have seen extensively introdumost of the literary institutions in the country; while the ced into the best Academical Common Schools in the United States. They are now the authorised Dictionaries for New Brunswick, as will be seen by the following certifi-

EDUCATION OFFICE. Fredericton, 22d. Aug., 1861 The Board of Education having authorised Worcester's Dictionary for the use of the Public Schools in New Brunswick, I have much pleasure in recommending the work to the favorable consideration of teachers.

JOHN BENNET, Chief Superintendent. Worcester's Royal Quarto Dictionary. Illustrated 1854 Pages 1,000 Illustrations. This is entirely a New Work, and all the new words synonymes and illustrations will be found in their proper

Attention is particularly called to the following Testimonials selected from hundreds of the same import. From H. R. H. PRINCE ALBERT,

in an Autograph Letter to Hon. Edward Everett, dated Buckingham Palace, May 9th, 1861. My Dear Mr. Everett-I have to acknowledge the receipt of the very handsome copy of Dr. Worcester's Dictionary, which you have been good enough to send me; and I must beg of you also to assure the publishers that I am very sensible of the kind feeling which they manifested towards me. It is very gratifying to see that the parent language receives such valuable aid for its developement and the preservation of its purity in your country.

Trinity College, Cambridge, Author of "History of the for collection; and the drawers of these notes are Inductive Sciences."-"I have repeatedly consulted the required to pay their respective amounts to him as Dictionary since it has been in my possession, and have the notes become due. seen reason to think it more complete and exact than any of its predecessors."

From Thomas Carlyle, England .- "So far as I have examined, it is a most lucid, exact, comprehensive, altogether useful-looking Dictionary; the definitions of meaning are precise, brief, correct; the wood cuts occasionally a great help; new fields are opened with success; everything is calculated for conveying information by the

From Charles Dickens. England .- "It is a most remarkable work, of which America will be justly proud, and for which all who study the English Language will long have reason to respect your name, and to be grateful

From E. Rverson, D. D., Superintendent of Public Instruction for Upper Canada .- "I have for several years used Webster, as the best Dictionary of its kindalways excepting its orthography-but I regard and recommend for our schools and public institutions, Worcester's Dictionary, as a very great improvement upon that of Webster's pictorial edition."

From Alpheus Todd, Librarian of Parliament, Quebec .- " Worcester's Dictionary is an established favorite with us. For exact definitions, full and complete lists of technical and scientific term's, and words of modern introduction, I do not know its equal.'

From the "Daily British Whig," Canada .-"Dr. Worcester's Dictionary is a better one than that of | wery liberal patronage he has received, and would inhis great predecessor. It contains all his rival's excellen- vite all who are in want of GOOD FURNITURE to cies, few or none of his faults, and in addition, is much call and examine his Stock, to which he is constantly remore comprehensive. It is a better Dictionary than the ceiving additions. His Stock consists in part of the fol-'Imperial Dictionary,' than which we once thought no lowing articles-Lexicon could be more perfect."

From the "London Literary Gazette."-" We entertain an undoubted belief that the lapse of a few months will be sufficient to establish Worcester's Dictionary as the acknowledged standard of reference among the scholars of England and America."

From the "London Athenæum."-To conclude -the volumes before us show a vast amount of diligence but with Webster it is diligence in combination with fancifulness; with Worcesters in combination with good sense and judgment, Worcester's is the soberer and safer book, and may be pronounced the best existing English Lexi-
