MACHINE BELTING.

The experience of the past fourteen years has gained for this Belting the confidence of manufacturers and consumers. The great improvements recently made in its quality warrant us in asserting it to be superior to leather for all open Belts—especially for heavy or main Belts.

Its first cost is much less than leather—it is stronger and more durable, and gives a gain in power on the pully. It will stand a heat of 300 degrees unaffected,—no degree of cold or wet can injure its working. In all respects it is recommended for saw Mills, Mines, Grain Elevators, Machine Shops and Manufactories.

☞ A large assortment always on hand.

FIRE ENGINE HOSE.

Hose of any size and strength made to order, also, Suction Hose for Fire Engines and other purposes.

The above Hose has great advantage over leather, as it needs no oiling, is perfectly tight, will stand a very high degree of heat without injury, and is not affected by the severest cold.

Couplings, Hose-Pipes, &c., furnished at the lowest prices.

PERRY DAVIS' VEGETABLE PAIN KILLER. PROV. R.I.

PERRY DAVIS'

Vegetable Pain Killer.

WE beg to call the attention of the public to this long tested and unrivalled

FAMILY MEDICINE.

The PAIN KILLER is a purely vegetable compound, and while it is a most efficient Remedy for Pain, it is a perfectly safe medicine, even in the most unskilful hands

FOR SUMMER COMPLAINT,

or any other form of bowel disease in children or adults; it is an almost certain cure, and has without doubt been more successful in curing the various kinds of

CHOLERA

than any other known remedy, or even the most skilful physician. In India, Africa, and China, where this dreadful disease is ever more or less prevalent, the

PAIM KILLER.

is considered by the natives, as well as European residents in those climates,

A SURE REMEDY.

As a Tonic for the Stomach it is unrivalled. A few doses will relieve severe cases of

Indigestion.

and it is often a perfect cure for

DYSPEPSIA

in its most aggravated forms. Its tonic and stimulating properties, arousing the system to vigorous action, render it a most effectual cure for

COUGHS AND COLDS,

when used according to directions.

For external application, it is unsurpassed by any medical preparation known.

RHEUMATISM.

and Neuralgia Affections are quickly relieved and often cured by it. Any Soreness in the Muscles or Joints can be relieved by its application. It cures instantly the most violent

TOOTHACHE.

It should always be kept near at hand, to be used in cases of severe

BURNS OR SCALDS.

If applied immediately, according to directions, it will give instant relief, and prevent blistering.

It is peculiarly adapted to the wants of

SEAMEN,

and persons making sea voyages, and no vessel should sail without a supply of it. One captain writes us, "I have made several voyages,—often with emigrants—and though I keep a good medicine chest, and have several times had a good deal of sickness on board, I have found the Pain Killer so efficient in all cases, as to entirely prelude the use of all other medicines."

Prices, 12½ cts., 25 cts., 50 cts., and $1 00 per Bottle.
