SATURDAY, JULY 6, 1861.

In Town. A little over a year since the principal part of this town was a smoking ruin, to-day its appearance is such as to impress one very favorably as to the £1,086 have been expended. The death of Mr. J character of the people. The greater part of some of the streets has been rebuilt and that too in fashion which bespeaks the enterprise, and energy, and taste of the proprietors of the buildings and at the same time the skill, architectural, constructive and decorative of the Mechanics who have erected them. It is scarcely to be wondered at that strangers should be surprised to find a small, interior lathed, the under floors laid, and lime got to plas- the North West. town composed of such magnificent buildings of ter the same, when he was removed from the midst such ample dimensions, and attractive style of finish, as Woodstock now boasts. In St. John and Fredericton the great fires have, truly, paved the trimmings, and boards to complete the under floorway for buildings of a better class than those which ing on the lower section of the building; while the were destroyed, but there, by Fire Loans, the Pro- provisions on hand, and what were got in the fall Grand Master, J. H. Jacques, Junior Deputy boys. At last accounts, both mother and children vince assisted the individuals, and the same amount of personal enterprise and liberality was not called all the outstanding debts in connexion with the into exercise as here, where, apart from the small building." proportion of insurance money, each individual Owing to the depression of the times, the numhas been thrown upon his own resources. Business ber of Educational establishments which the Free to it. too seems to be increasing. As the "Shanties" Church at home has to support, and from other are being evacuated by their late tenants who are reasons, Mr. Glass was not as successful in the old moving into the new and more spacious stores pre- country in collecting means as he anticipated. How- series. We can only reiterate the opinion we have pared for them, the shanties are being immediately evertaken possession of by new men in business. The "To finish the outside of the building, putting It is furnished to subscribers at the extremely low most prominent building is that of Sheriff Dibblee, on the clapboards, hanging the doors, and fixing up price of \$2 per year, and should be in the hands of the Potomac. on the corner of Queen and Main Streets, now nearly the lower story of it, Mr. G. stated would require finished, the dimensions of which are $51 \times 62\frac{1}{2}$, a sum of say £600. Of this there is in hand about £200, and if parties came forward in the prompt four stories in height, the first floor occupied by William W. Hammond, James Jordan, and amounting to that sum, as much of the building as William Alterton, and a large vestibule, or en- is necessary would be finished in the meantime, so entrance Hall for the upper stories of the building which is arranged for an hotel. King Street is English school, and in connexion with this the money extremely, and the smallest sums will be nearly rebuilt-Messrs. M'Coy, M'Glyn, Kelly and classics and mathematics would be taught Two thankfully received. Baird have each erected three story brick buildings preceptors for these purposes would be required. of large dimensions, and they are partly occupied by Vanwart and Stephenson, T. L. Evans, H. Hay, E. D. Watts, (British House) and W. T. Baird; natural philosophy, and preach at least once during the latter has finished the upper portion of his the Sabbath at home. Mr. Glass had no doubt but building in a style expressly for a first class Hotel, and here Mr. T. W Smith has opened the "Renfrew House;" this hotel is entered through a spacious vestibule and contains throughout all the convoniences, appliances, and appointments calculated to adapt it for its present occupancy, while Mr. Smith shows by his turnishing and attention a determination to make the 'Renfrew' as popular as its locality and general convenience of finish should entitle it to be. On the opposite side of the street, a range of three story brick buildings having a fronting of 99 feet, erected by Mrs. English, under the direction of James Grover Esq., present a very imposing appearance. In these we have the Commercial and Central Banks, the Post Office, Dr. Smith's drug store, Mr. Dent's clothing establishment, Mr. C. H. English's grocery store, and Mr. R three essays were rewarded with prizes. The Ja-Donaldson's liquor store, the last named having cob's medal to Randolph Jones. The second prize erected a portion of the range on the site of his by Hon. C. Connell, to master Charles Glass, and former dwelling. The second story of this is like- the third by L. P. Fisher, Esq., to master W. wise being finished for offices. shops, &c., and in Street. These essays were publicly read. Rewards one of them Miss Baird has opened her fashionable were given for proficiency in knowledge of natural millinery establishment. Besides the large wooden history, to Frederick S. Day; History of England building of Mr. M'Lean, occupied by Blanchard Charles O'Donnell; History of Rome Henry Morse, & Co., Mr. George M'Donagh has on the corner of History of Greece James Bedell; these prizes are the street and the bridge a fine wooden structure, the gift of G. A. Bedell, J. R. Tupper, W. T. and Mr. James Doherty has the frame up for a Baird and W, F. Dibblee, Esqrs. The prize for splendid brick cased building: on the west side proficiency in the History, Geography and Resourof Main Street immediately at the end of the bridge of New Brunswick, will be given soon after the Mr. Connell has likewise erected a wooden structure school is opened next term. some 100 feet long, the lower part finished for four At the close Rev. Mr. Street addressed the comstores; Mr. John Lenahan has removed his business petitors for the Essay prize in terms of the highest one of them, and another is occupied by Mr. M'. praise and expressed his satisfaction at the efficiency Elroy.s new beginner in this county. All the stores, of the school and the readiness exhibited by the puto which we have referred are finished in the most pils during the examination. The Rev. Mr. M'Larmodern and complete manner presenting every tacil- dy joined in Mr. Street's expressions of commendaity for business; for exhibiting goods and conven- tion and said, that the general efficiency exhibited iences for purchasers of the same.
