THE "COLONIAL EMPIRE."

Political and Commercial WEEKLY, SEMI-WEEKLY, and TRI-WEEKLY NEWSPAPERto be published in the City of Saint John, N. B., commencing January 1st, 1861.

Among the leading objects of advocacy contemplated by this Journal are :- Union of the Colonies- Would respectfully inform their customers and the public involving Inter-Colonial Free Trade, a Uniform Tariff, Currency, &c., &c. Railway Extensions-Intercolonial, and connection with the United States. Education—a liberal and comprehensive system of Education adapted to the wants of the Country .-Reform in our Commercial Institutions and Relalations. Agricultural, Mechanical, and Manufacturing Progress. Development of our Mines, Minerals, and Fishiries.

This Journal will be INDEPENDENT in the expression of its opinions, on Political as well as on all other questions and while advocating enlarged and comprehensive views of Public measures, will ignore all Sectional, Sectarian, and Political part-

BRITISH NORTH AMERICA is possessed of vast re- HOMESPUN, SOCKS, MITTS, AND WOOLEN YARN scources, and has Geographical and Physical advantages which are unparalleled, and Political and Social immunities of which no other country can boast. Our own Province is in all these respects highly favoured, and we need but a vigorous and enlightened public policy to effect a most progressive development. To continue in a course of narrow selfish partizanship with no higer aim than the petty aggrandizement of pecuniary gain of unprineipled politicians, must soon make shipwreck of all our best interests, if indeed it be possible to escape from the impending bankruptcy and ruin which already stare us in the face. But we believe there is wisdom, courage, virtue-patriotism enough in our Country to save it; and while it will be our vocation to sound the toesin, and arouse the people to a sense of the dangers to which we have referred we will also afford a rallying point for the good and wise of all parties and creeds, who desire the overthrow of a system of corruption and extravagance, and the establishment of sound Liberal and Progressive Political and Commercial principles. With full faith in these covictions and sentiments Stock and the best variety of Stoves this side of Boston; -and believing that the heart of the country will and am bound to sell them at prices which defy competi respond to them-we run up our flag and nail it to tion.
