A CARD.

TO THE ELECTORS OF THE COUNTY OF VICTORIA.

Gentlemen,—At the solicitation of numerous frinds representing every section of this County, I now offer you my services as a Candidate at the approaching Election, on which occasion you will have the privilege of accepting or rejecting me.

In coming forward as a Candidate for your suffrages, I have done so at not a little self sacrifice; but feeling assured that those who have for years past encouraged me to the present step, will now come honorably forward to my earnest support. I cannot feel any doubt of my ultimate success. However, Gentlemen, my friends have now the opportunity of proving their sincerity. Gentlemen, you are aware that I have but little experience in political matters, yet I consider myself quite capable of readily acquiring sufficient knowledge to attend to the interests of this County, and should I prove to be the choice of the County, depend upon it I will make it my study to advance the welfare of the Inhabitants of Victoria, irrespective of localities,—rest assured I will never be governed by any local feelings—it will be my honest boast as it ever has been that all men shall have a fair and equal chance with me—unprejudiced by religious feelings—and untrammelled by pledges either to individuals or parties.

On one point Gentlemen, I wish to be distinctly understood,—I am determinedly opposed to Representation by Non-Residents. I was reared in this County, no one is better acquainted with your wants and requirements, your rights and privileges, and rest assured Gentlemen you will find in me an earnest and unflinching advocate should you elect me as your Representative.

Gentlemen, I have many things to say, which you shall hear on nomination day, and on other occasions when I shall be permitted to address you. In the meantime allow me to subscribe myself

Your Obedient Servant,
Grand Falls, N. B. } JOHN COSTIGAN.
May 16, 1861. } 3i

TO THE FREEHOLDERS OF VICTORIA.

Gentlemen,—Called forth by the solicitation of many friends and by a requisition numerously and respectfully signed, I intend to offer you my services as a Representative at the coming election. In becoming a Candidate I ask you to remember that I have always, to the extent of my ability, opposed the principle of non-resident representation, and I believe that at the election four years since, I was the only man in the county who endeavored, by a public appeal, to arouse you to a sense of the danger and disgrace of that system. What I then said I now repeat; with the principle which I then supported, I am now willing to stand or fall. In all of the resident Candidates I recognize men, who, although actuated beyond doubt, by different interests and principles, and working in opposition to and rivalry of each other, are yet fellows in the same cause. But Gentlemen, I appeal to you for the sake of our common interest, our common honor, and our common respectability, if any man, not a resident in this County, has the assurance to be nominated here, to treat him both by public expression on nomination day, and private vote on election day, with such disapprobation, scorn and contempt, that no one will ever again dare to repeat the insult.

Gentlemen, in asking you for your support, I do it with much confidence. Although a very young man, I have grown up amongst you. My life and my character are before you and all the public, and they challenge examination and criticism. If you do me the honor to elect me, I will serve you honestly, fearlessly, and independently. I will be the tool of no party or faction, but will endeavor to be guided by your general voice, for the general good. I will strive to see that every sect and party has justice and fair play; and there is no interest that this County has or can have, that I shall be either afraid or ashamed to advocate on the floors of the Legislature, If on the contrary I should not receive sufficient support to elect me, I will feel neither disappointment nor envy; and if my defeat arise from the success of any of the resident candidates, I will hardly regret it. I am Gentlemen,

Your obedient servant,
JOHN D. BEARDSLEY.

Grand Falls, May 28, 1861.

A CARD.

TO THE ELECTORS OF THE COUNTY OF VICTORIA.

Gentlemen,—It is now your inestimable privilege, as it is your sacred duty, to select two able and discreet persons to serve and represent you in the General Assembly of this Province. I hereby offer you my services for that purpose.

Gentlemen, it is now twenty seven years since I first landed on these shores. I came a mechanic, and have so lived and laboured ever since. I reside in your County, and hope to live and die in it; my interests are therefore identical with yours. I shall strive to serve the farming and mechanical classes to the utmost of my ability; but as you value your future prosperity, let no selfish consideration influence your vote on that occasion. Your County is the most productive of wealth in the Province, but the way in which it has been farmed out to imported and hungry politicians ever since it became a County, leaves it in its present deplorably backward state. If you value your character as a people, let this state of things cease at once and for ever.

Gentlemen, should I be the man of your choice, you may be well assured it shall be my constant aim to advance the interests of this County, to promote Agriculture and Education as the foundation of our future prosperity and excellence, and as a means to that end to open and improve every settlement by good roads, and established schools in every district, and whether Liberal or Conservative form the majority of our future House of Assembly, the interests of Victoria in particular, and of the Province in general shall receive my whole attention, irrespective of party.

Gentlemen, it is impossible for me to express to you in this card, all I would wish to say on this subject; but at the hustings you shall hear from me more fully on the subjects which most seriously affect our future prosperity.

In the mean time permit me, Gentlemen, to subscribe myself Your most obedient Servant
BERNARD McLAUGHLAN.

THE GREAT
Family Medicine of the Age.

WE ask the attention of the trade and the public to this long and unrivalled

FAMILY MEDICINE.

For the cure of COLDS, COUGHS, WEAK STOMACH and General Debility, Indigestion, Cramp and Pain in Stomach, Bowel Complaint, Colic, Diarrhoea, Cholera, &c.,

It has been favorably known for more than twenty years to be the

ONLY SURE SPECIFIC

For many diseases incident to the human family.

Internally and Externally

It works equally sure.

What stronger proof of these facts can be produced than the following letter received unsolicited from Rev. W Curtis:

ROMEO, Macomb Co., Michigan, July 9, 1860.

MESSRS. J. N. HARRIS & Co.,

Gentlemen.—the confidence I have in Perry Davis' Pain Killer as a remedy for Coughs, Colds, Burns, Sprains and Rheumatism, for the cure of which I have successfully used it, induces me to cheerfully recommend its virtues to others.

A few months ago I had recourse to it to destroy a felon although I had never heard of its being used for that purpose, but having suffered intensely from a former one, and having no other remedy at hand, I applied the Pain Killer freely for about fifteen minutes at evening, and repeated the application very briefly the next morning, which entirely destroyed the felon, and increased my confidence in the utility of the remedy.

Yours truly,
A. W. CURTIS,
Minister of the Wesleyan Methodist Church.

Dr. Ware, of columbus, Ga., says, for Neuralgia of the Back, or Lumbargo, it surpasses any medicine I have ever used.

Dr. Sweet says it is excellent to remove the soreness of the bone-setting.

Dr. Hall recommends it as an excellent linament for Rheumatism.

Dr. Nelson recommends it as a linament.

Dr. Walton writes from Coschacton County, Ohio, Nov. 28, 1860:

Your Pain-Killer cures this new disease, DIPTHERIA, OR SORE THROAT, that is so alarmingly prevalent here; and it has not been known to fail in any instance when used in time. This fact you should make known to the world. It is used in this disease as a gargle and lotion, as well as a tonic and stimulant.

Rev. H. L. Van Meter, writing from Burmah, says: The Pain-Killer has become an almost indispensible article in my family."

Hundreds of missionaries give similar testimony of its virtues,

Rev. J. G. Sterns writes: "I consider it the best remedy for Dyspepsia I ever knew."

Rev. Jabez Swan says: "I have used it for many years in my family, and considered it an invaluable remedy.',

The Salem Observer says, "It is a medicine every household should have at hand in case of accident or sudden attack of disease."

The New York Examiner says, "We have used the Pain-Killer, and consider it an indispensible article of family medicine."

The N. Y. Independent says, "We have used it, and it proves to be all it professes."
