#### ILLUSTRATED Scientific American. The best Mechanical Paper in the World.

Eighteenth Year.—Vol. 8.—New Series. NEW VOLUME of this popular Journal commences It is published Weekly, and every number contains sixteen pages of useful information, and from five to ten original engravings of new inventions and discoveries, all of which are prepared expressly for its columns.

To the Mechanic and Manufacturer No person engaged in any of the mechanical or manufacturing pursuits should think of "doing without" the SCIENTIFIC AMERICAN. It costs but six cents per week; every number contains from six to ten engravings of new machines and inventions, which cannot be found in any other publication.

TO THE INVENTOR. The SCIENTIFIC AMERICAN is indispensable to every inventor, as it not only contains illustrated descriptions of nearly all the best inventions as they come out, but each number contains an Official List of the Claims of all the Patents issued from the United States Patent Office during the week previous; thus giving a correct history of the progress of inventions in this country. We are also receiving, every week, the best scientific journals of that he has Great Britain, France, and Germany; thus placing in our possession all that is transpiring in mechanical science and art in these old countries. We shall continue to transfer to our columns copious extracts from these journals of whatever we may deem of interest to our readers. ing Letters Patent on new inventions, is furnished free on

application. Messrs. Munn & Co., have acted as Patent Solicitors for more than seventeen years, in connection with the publication of the Scientific American, and they refer to 20,000 No charge is made for examining sketches and models the would solicit the attention of a discerning Public to patentees for whom they have done business. of new inventions and for advising inventors as to their

Chemists, Architects, Millwrights and Farmers. The "Scientific American" will be found a most useful journal to them. All the new discoveries in the science of chemistry are given in its columns, and the interests of the architect and carpenter are not overlooked; all the new inventions and discoveries appertaining to these pursuits being published from week to week Useful and practical information pertaining to the interests of mill-wrights and mill-owners will be found in the Scientific AMERICAN, which information they can not possibly obtain from any other source. Subjects in which farmers are interested will be found discussed in the SCIENTIFIC AMERICAN; most of the improvements in agricultural implements being illustrated in its columns.

Terms-To mail subscribers, \$3 a year, or \$1 for four months. The volumes commence on the first of January and July. Specimen copies will be sent gratis to any part of the country. Western and Canadian Money or Post Office Stamps taken at par for subscriptions. Canadian subscribers will please to remit twenty-five cents extra on each year's

subscription to prepay postage. MUNN & CO., Publishers. 37 Park Row, New York.

The Proprietor of the above named Liniment, is well aware that the Public have learned to look upon all New Remedial Discoveries with a great amount of prejudice and doubt; he therefore wishes to state most sincerely, that he does not claim for this preparation Cure-all Virtue. The BETWEEN ST. JOHN & FREDERICTON. efficacy of STURGEON OIL as an external application, is no new discovery. For many years past it has been used | THE Subscribers beg to inform their friends and by some of the most celebrated physicians and veterinary surgeons of Europe. The object of the Proprietor in his experiments for the last six years, has been to compound a Liniment containing all the virtues of pure Sturgeon Oil, together with many other well-known curative and healing ingredients, and he firmly believes that a fair trial of this Liniment will convince any and every person line comfortable. that his experiments have been perfectly successful.

[Letter from one of the best Veterinary Surgeons in Scotland.] Edinburgh, Oct. 12, 1862. HIRAM Dow, Esq., M. D., FREDERICTON, N. B. Dear Sir: -I have used two bottles of the STURGEON OIL LINIMENT which you so kindly forwarded to my address. I have thus far applied it to Horseflesh only. For Fresh Cuts, Harness Galls and Bruises, it is the BEST LIN-IMENT I HAVE EVER USED. I have also applied it in a number of cases of Sprained Shoulder and Fetlock Joint, with GOOD RESULTS; For what is usually called Scratches I have found it a PERFECT CURE.
