The Atlantic Monthly.

Beginning of a New Volume.

THE number for **January, 1863**, begins the **11th Volume** of the ATLANTIC MONTHLY. From the commencement, in 1857, the "Atlantic" has rapidly increased in circulation, and it now has the largest class of readers since its beginning, five years ago. Its prosperity steadily augments, and it continues, amid all the fluctuations and dangers incident to our national crisis, to gain ground in the estimation of the public. At a time so pregnant with events which touch the future destinies of America in every vital particular, the Publishers and Editors do not deem it necessary to promise that its pages will never swerve from the honest paths of loyal patriotism and universal freedom. Its opinions have always been on the side of Liberty, Progress, and Right, and the course it first adopted in its early career, will ever be faithfully maintained.

The Staff of Writers, regularly contributing to the **ATLANTIC MONTHLY**, embraces all the best known authors in American literature, and warrants the Publishers in promising to its readers

The Best Essays, The Best Stories, The Best Poems,

which American talent can furnish.

LIST OF REGULAR CONTRIBUTORS.

In PROSE and POETRY the "Atlantic" Staff of Writers is unequalled. The following authors are still among the regular contributors:—

James Russell Lowell,	Henry W. Longfellow
Louis Agassiz,	Ralph Waldo Emerson,

T. W. Higginson,	Author "Margret Howth,"
Mrs. Julia W. Howe,	Mrs. A. D. T. Whitney,

TICKNOR & FIELDS,

135 Washington St., Boston, Mass,

THE

Knickerbocker Magazine

OF

Literature, Art, Politics and Society.

ANNOUNCEMENT.

WITH the October number of this time honored and popular Magazine was commenced a new series, issued in a new and enlarged form, under entirely new editorial and proprietary management.

It will be the aim of its present conductor not only to sustain its former prestige, but to extend its circle of readers, and make it a welcome guest in every American household. With this view, no labor or expense will be spared in securing the highest order of talent, not alone on this side of the Atlantic, but in both hemispheres.

Although a literary Magazine, it will not shrink from boldly discussing the vital topics of the day, free from all party or sectarian bias. It will embrace among its miscellaneous contents notes on current events, foreign and domestic; reviews of new books, and art and dramatic gossip; while the Editor's Table, with which the readers of "OLD KNICK" have been so long familiar, will be monthly spread with the choicest literary viands which the market can supply.

It is thus hoped, that even under the depressing influences of a protracted war, the veteran Magazine of the United States will reap, in its new and improved character, a plentiful harvest of subscriptions—and maintain, with added lustre, that position as a first-class monthly, which it has held for more than thirty years.

TERMS—Three Dollars a year, in advance, postage paid. To the Army and Navy, half price. Two copies four Dollars and Fifty Cents. Three copies for Six Dollars. Subscriptions must be sent direct to the office. No collectors are employed. Single copies will be sent to any part of the United States or Canada, post paid, on receipt of twenty-five cents in postage stamps. Back numbers may be obtained on application. New subscribers will be supplied with the back numbers of the new series gratuitously.

The **KNICKERBOCKER** and any other THREE DOLLAR MAGAZINE will be sent one year for FOUR DOLLARS.

A discount of 10 per cent. from these prices will be allowed to persons sending clubs of ten or more subscribers.

CHARLES READE, author of the CLOISTER AND THE HEARTH, and other eminent authors, will be among the regular contributors to the Magazine.

All communications should be addressed to

The Editor,

CLEM'S SUMMER CURE.

—AND—

HOWE'S COUGH PILLS.

By the concurrent testimony of many sufferers, the fact has *been established*,

That for the cure of Diarrhea or Dysentry in persons of all ages, no medicine has ever come to the knowledge of the public that so effectually does its work and at the same time leaves the bowels in an active, healthy condition as

CLEM'S SUMMER CURE.

That for Children Cutting Teeth, if troubled with Diarrhea or any irregularities of the bowels, all other remedies are insignificant as compared with

CLEM'S SUMMER CURE.

That for Children troubled with Canker in the mouth or stomach, or mothers suffering from nursing sore mouth, a safe and more speedy cure is effected by the use of

CLEM'S SUMMER CURE.

That for Coughs, Hoarseness and Bronchial affections there is no remedy extant that so universally affords relief as

HOWE'S COUGH PILLS.

That for a Tightness or Wheezing on the Chest, Pains in the side or a long standing *Hack*, the best known remedy is

HOWE'S COUGH PILLS.

That, as an expectorant and ameliorating agent in cases of Pathisic, Whooping Cough, and Confirmed Consumption, the public have already rendered their united verdict in favor of

HOWE'S COUGH PILLS.

Clem's Summer Cure is a pleasant, agreeable decoction of Roots and Barks, and contains not a particle of *opium* or *drug* of any sort. It always does good, and never does harm.

"By their works ye shall know them."

Triple Remedies.

Cures Coughs, Colds, Asthma, Bronchial Complaints, and all Throat Irritations leading to actual Consumption.

Its great feature is a freedom from every component, which produces debility, and its unerring certainty in all of the above Complaints rests with the fact that it may be used every hour without restraint. Therefore from childhood and its terror, WHOOPING COUGH, to old age and its infirmities, allow it to be the companion from the cradle, and the grave will be spared many of its early victims.

Make it your pocket companion by day, and your bedside friend by night, using it whenever you please.

Cures all Complaints of Nervous and Spasmodic character, such as Neuralgia, Gout, Rheumatism, St. Vitus Dance, Tooth and Ear Ache, Bowel Complaints, Nervous and Spasmodic Sick Head-Ache, to that terror of all Nervous dispositions, and probably the chief cause of Insanity, "Loss of Sleep."

Designed as special assistant to the above-named preparations, when aggravated by Billiousness or Indigestion, and the great substitute for all Mercurial preparations.

The **Electic Pills**, without the common fatal necessity of almost making a meal of such, will in most cases by the application of a single Pill, produce all the requirements of a sure, gentle, and reliable.

FAMILY PHYSIC

Let me have your confidence to make trial of the above named Remedies, as the only sure tribunal by which real character can be attained, and my declaration is that such confidence will not be misplaced. The greater justice, is to procure and read the prescription Pamphlet to be found with all dealers, or will be sent free by
