It hesitate to help themselves. Even the scrfs, for 10,600 men, and that Warsaw Inlet would be the ful, and think themselves injured-so dissimilar are first destination of the expedition. The railway is the views which people take of their respective poprogressing across Hilton Head Island.

THE SECRETARY OF THE NAVY AT WASHINGTON .-Mr. Welles the Secretary of the Navy to the Federal Government, is that member of the Cabinet who so highly approved the conduct of Cabtain Wilkes in the "Trent" affair and then backed down in Khan, the murderer of Major Burton, is to be hangcommon with his colleagues and consented to give ed at Kotah. Col. Baird Smith is returning home up Messrs Mason and Slidell.

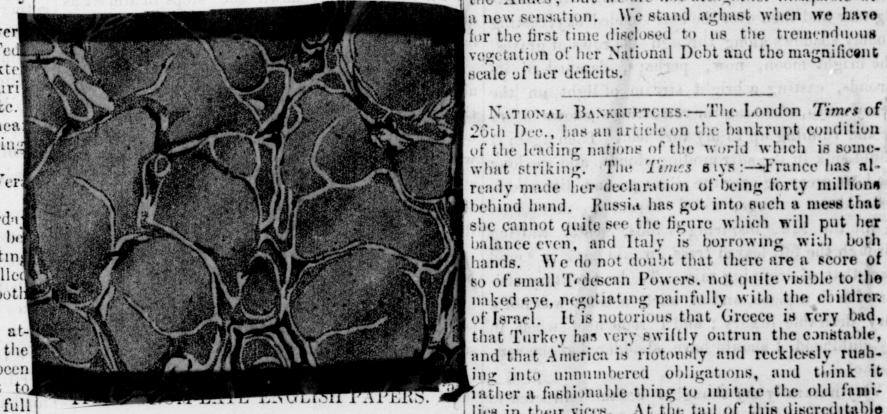

It seems however, that Mr. Welles after suffering so great humiliation, is unwilling to resign and sorts of schemes are proposed to get rid of him. The Boston Courier says:

"A singular spectacle is presented to the Ameri- bad. can people by the action of the Senate Committee THE COURT .- The Queen, who remains at Osborne them to report, that the Secretary of the Navy can-not be trusted with the performance of his official Dover on the same day, and proceeded to Osborneduty; and the Committee propose, therefore, that on a visit to Her Majesty.
