A Card. THE Subscribers would announce to the public, that in consequence of the present unsettled state of the country, and the fact that a large proportion of leading Clergymen are absent only for Cash, render it necessary for them to continue their Sales to Cash, or Pay Down System which will be required in all cases. This plan has been recently adopted by the Dealers in St. John, Boston and New York, and we believe it to be as much for the interest of our customers (by enabling them to shorten their credit) as for ourselves. They would also remind those persons whose accounts have been three months standing, to call and settle, as they will be compelled to hand them over for collection. VAN NAWART & STEPHENSON.
