A Card.
THE Subscribers would announce to the public, that in
consequence of the present unsettled state of the
country, and the fact that a large proportion of leading
Dealers in the County are for Cash, render it necessary
for them to combine their

Sales to Cash, or Pay Down System
which will be required in all cases. This plan has re-
cently been adopted by the Dealers in St. John, Boston
and New York, and we believe it to be as much for the
interest of our customers as for enabling them to shorten
their credit as for ourselves.

They would also remind those persons whose accounts
have been three months standing, that unless they give
for collection, they will be compelled to hand them over for
collection.
